# Lost Love

Dark, Empty, Hollow Inside  
My Dreams Ran Very Far,  
My Hopes Have Died  
I Have No Reason To Be Alive

I Hope For My Love  
To Come Very Soon  
I Wait, I Cry,  
I Hope For My Love To Find

I Stay Up All Night  
With My Love Not Insight.  
My Eyes Full Of Tears  
With My Love That's Stranded

But Each Day My Heart Gave Me Hope,  
Gave Me Strengthen, Gave Me Wisdom,  
Just To Help Me Be Me.  
Lost Love, Lost Love, Where Is My Lost Love?

melisa rodriguez

# Your Friend Is

The one who being loyal and truthful,  
understand you, accepts you,  
and proudly recognizes your gifts.

The one who encourages you  
who selflessly helps you  
and doesn't take advantage of your kindness.

The one who offers your wise advice helps you  
to shine and to build your personality

The one who happily cheers your heart!

The one who discretely tries to recognize your problems in order to help to.

The one who gently tries to show you  
where you're gone wrong.

The one who sees in you a worthy human being  
full of hope.

This is your true friend and if find her,  
treasure her.

**THAT IS A TRUE FRIEND! !**
