# Crazy World

In this crazy world I've seen

There is love and suffering

In this crazy world I know

Love is lost and love will grow

In this crazy world I try

But people live and people die

Just be aware that when I'm through

This crazy world I leave to you

# Hopeless Cause

Inside my thoughts I'm in constant captivity.

All these negative thoughts holding me back and won't let me be.

I really feel like all hope is gone.  
Everyone has left and I'm all alone.

Maybe with some help from the lord, my family and friends.

I can be at peace and be whole again.

# Lost And Found

Walking through these gloomy fields of anger and dismay  
I've been lost in here before but someones guiding me this day.

Although I can't see him I can feel him all around  
He's in the air, He's in the trees, He's in this very ground.

Even though his hopes and dreams wasn't all fulfilled  
His love, His words, His encouragement will forever be enstilled

These gloomy fields can hold me 'NOMORE'  
I was loved all along....I could not ask for more

Dedicated to my father Warren Keith Baker R.I.P

# The Valley

As I gaze upon the valley  
Its mother nature and all her splendor.

The heavens open, raindrops falling  
Never knew they could fall so tender.

The rolling hills are blessed with  
flowers blowing in the breeze.

The birds recite a majestic chorus  
The endless calm blue seas.

All these things my senses tally  
As I gaze upon the valley.
