Life

Just sitting here thinking..
Hmmm...what's in my future?
Ummm...will the past come forth?
Mmmm...Stop thinking about it! !
Live in the moment!
Pay attention to what's happening right now!
Don't dwell on the past,
Don't think of the future,
Don't mess up your present! ! !
Live Life In The Now, Be ready for whatever at all times!
Experience, do things you've never done, Try new things!
Don't be a SQUARE! ! ! ! !

Thank You

I thank the people who helped me
I thank the people who were there for me
I thank the people who cared for me

The people that I am thanking helped me to get where I am today!

There are alot of people who doubted that I could make it

Now I am sitting on a throne

I am doing what I need to do

I thank you for believing in me

There's only a few but I thank YOU!

The Way

I don't smoke

I don't drink

You make me feel high when you say sweet things

You make me drunk off of your love

I love when you make me smile

I love the way you care for me

I love the way you make me happy when I'm sad

I love the way you make me laugh when I cry

I love the way you listen when I have a problem

I love the way you make me feel everyday!

I love your ways and I love YOU!

Monisha Meadows

Thinking

Every day I think if it's going to change.
Every day I think about what my future will bring.
Everyday I think about where I'm headed.
Every day I think is today going to be different.
One day I won't have to think.
One day I will know.
That one day will come SOON!

Women

I don't fear anything
I am BOLD
I am violent when needed
I am FIERCE
I move to any rhythm
I am ACTIVE
I am not weak as men think
I am STRONG
I am an honorable woman
I am HONEST
I love my classes
I am INQUISITIVE
I solve problems I don't start them
I am DETERMINED
I think for me and love my body: work of art
I am ARTISTIC
I don't dwell on the past
I am HOPEFUL for my future!
