# My Love For You!

When I first saw you there  
You was just a person that I don't know  
And till now I don't know you personally  
But that didn't stop me from loving you  
Some will think that I'm crazy for doing that  
But that didn't stop me from doing what I want  
I always wait for you in front of my tv  
Just to see you playing my favourite game  
When I see your eyes I feel like they are shining  
Like a star in a dark and cloudy night  
Even when I never met you  
I am sure that you have a great personality  
Your faith and courage have stole my mind  
I know that my love for you is a fairy love  
But everyday that love is getting bigger  
As if you are meant to be for me
