One life, one earth,
live, love and
be happy.

Blue (The Powerful Colour)

blue is the colour of love
and blue is also the colour of hurt (break up) .
blue is happiness,
every one want to fly
on huge blue sky,
lovers find their companion
beautiful in blue cloths.
blue is my favourite colour.
sailors eye look forward
toward ocean
to meet a life.

Dream

dream is beautiful
if it happen
your life will shine like a star in the sky.
you will fly higher,
if it is a good dream.
you can see your future.

Dream Girl

my days are start with
dreaming you
I past my nights lonely sleepless
without you
I am live alive
for you
I am waiting and waiting
for you
dream girl, I know
you will come one day
then I would say to world
that I love you.

fault can make by anyone
you did not listen that time
you went far away
gave me pain
dream girl I know
you will forgive me one day
and that day
I will again say you
that I love you.

nafis shadhin

Forgive Me

far, far away
you have gone away
from my eyesight forever
from me
from me.

love you baby
I know you will not come ever
but give me a favour
to love you again
wherever you are
please forgive me
forgive me.

Friendship

looser means not defeated
gone away means not finished
if sorrows come vastly to you
remember me
I will be there for you
till death.

now my heart is full of energy and power
I have enough courage
to face fear
if there is no hope for you
remember me
I will be there for you
till death.

Frustration

Life runs with time side by side
Like a running river
Which returns
On the same old bank.
The memorize hundred of talks
The forgotten lyrics are trying
To make homes on heart again
I thought that the end has come
But wish never end.
At last once again I met with
Frustration

Leave Me Alone

Dont ever try to make
Me happy
My dear friend
You don't know about my feelings
My thoughts
My love
Please leave me alone
I do not have enough courage
To make me happy
Feel me fine.
My sweet friend
I know you are always with me
But this time
Walk me alone
On this world
Please leave me alone.

Lifetime If You Want

wherever you live
how far you go
forgetting me
you are mine,
you are in my every feelings
in my every touch
all time.
you live in my heart
and in my mind.

I do not want
your unhappiness
your sorrows
because I love you.
feel happy
wherever you live
forgetting me.

if you feel you love me
come back then,
I will wait lifetime
for your love.

Lost Mind (Poem)

When, I have come here
on which way
far, far away,
being alone,
I don't know.
my border line is now
stars of the sky, full moon
and water of blue ocean.
I can't go whatever I wanna go,
I can't understand my mind,
I just come alone
losing all relationships
losing love.
I wish if we were together again
make a home,
now I can only dreamed it
nothing else.

Love Bird

You are my love bird
Do not give me pain
On my heart
When you stay away from me
I behave like a mad
I will give you golden bengals
White nosepin
Without you
i feel helpless,
Without you
I am sleepless
Please dont go away
Stay close
I am lover of you
I love only you
My love bird.

Lover (Poem)

Rain is drooping cats and dogs
Since morning
I am watching and watching
A 19 year old boy is standing
In front of my shop
This is not new thing for me,
That boy wait here
Everyday,
A 18 year old girl
Passed away by this road at noon
Everyday,
When those four eyes
Being together
A magical smile shown
on their face,
I feel nostalgia
I went to my college life
As like as them,
Find myself a lover,
Feel that happiness on me,
And seeing them gone
I got back to my work
Again.

My Dear Friend

You have to move on
With your broken heart
For long distance.

My dear friend
Why you do not
Understand?
Happiness will come here
Ones again.

Your sorrows will go
Far away
One day.

Please do not feel angry
This time
With your dream car
Go for a long drive.

No End Of Love

There is no end of love
Think first before fall in love
Do not die on deep ocean.
There is no end of love
Your life will be meaningless
If you rejected
If she go away from you
You will find yourself heart broken.
You will sing meaningless songs
Everytime, every moment
if she gone away
People will call you mad lover
You will recognize this world
If she reject your love
Think first than fall in love
Love never end
There is no end of love

No More Tears

No more tears on my eyes
I promise me today
it will be a new beginning
from sun rise
I will forget you,
your touches and
your last kiss.
no more tears on my eyes.l

Please Come To Me (Poem)

I will give you hundred roses
For cover your face,
Don't make me feel happy
Come and give me hurt and curse,
Whatever please come to me,
This heart is sleepless
for a longtime
Without you.

I will love you from my heart
If you come,
I will keep you
On my heart
whatever please come to me
This heart is sleepless
For a longtime
Without you.

She Is Not For You

Don't cry
my friend, don't cry
I am always stay
on your side,
she who wants to go
just let her go,
you can't keep her
with any excuse,
she even not tell you any excuse,
just talk with your mind
one thing
she is not for you,
you are not for her.

Sinking

sinking on the ocean
I heard you to say
goodbye
buddy goodbye.
sinking in the ocean
I tried my best to swim
towards east
for live a long life.

Soundless Heart

A letter
You gave me
Which was written by
hard words
Which was your last words
Your separation agreement from me
Which gave me so much hurt
Which brought a lot of pain
A lot of soundless tears
And darkness all around my whole world.
A letter
Which one I never thought
I never dreamed
That change my entire word
Into hell.

Sweetheart Happy Birthday To You

Today sitting on my balcony
Alone, all alone with broken mind
With some hope on broken heart
Waiting for a good moment
Waiting for your phone call
As like as one year ago
Whatever you are thinking about me
or not
I always love you
Will love you till death
Sweetheart wherever you are now
Stay safe
Stay happily
happy birthday to you
Happy birthday to you.

Thoughts

One new home
One new bed
Thousands of dreams
On the mind,
You will be mine
You are my night and sun,
Without your presence
All goes to distance
From me.

nafis shadhin

Tu

mere yaar ve
har pal socha tujhe
har pal chaha tujhe

Waiting For Love (Poem)

I love you,
I will love till die
You know that as well
Than why you hurt me?
You always say
No time for love
Is it TRUE?
Just one time tell me
You love me
You dont know what will I do,
On my sleep, on my dream
On day, on night
Every time, every moment
I just waiting
For your love.
