# Chocolait

i sit sip cholate liquid  
with a dropp poured in my tit  
whats lacy in the shit  
to poop in the shallow grief  
cellphone never rang in years  
humpty dumpty what a beef

you left the bean jar empty  
i sold my watch to key  
if anyones left for me  
is the kitten in the sultry

# D.I.Y.

I AM TIRED OF THE GAME  
I WANT ENGLISH MY OWN WAY  
I WANT TO OWN  
NOT TO BE ALONE  
I WANT TO BE ME

I WANT YOU TO SPARE ME  
I BEG TO MY KNEES  
TO MY PURSUIT TO BECOME DIFFERENT  
I DON'T WANT TO CONFORM  
OR TO HAVE A UNIFORM

TIRED OF JAILED  
TIRED OF NAILED  
TIRED OF ME  
TIRED FROM MY YOUTH  
I WANT TO BE DIFFERENT  
SHOW THE WORLD DIFFERENCE  
WHO CAN DO?

I WANT IT TO BE ME  
YOU CAN BE YOU  
I HAVE MY OWN WORLD  
WHERE I CAN SEE YOU?

I WANT TO BE BIG  
I DON'T WANT TO SCARE  
I WANT TO BE SMALL  
BUT WON'T BE INVISIBLE

I AM ME

# For You

afraid to ask  
if what you are feeling  
afraid to know  
if your heart is crying

so afraid  
so scared

should't be scared  
if i know i can mend

what if u don't need  
what ifs

have u ever felt  
it's like a big scare

truth is that I  
..that I  
lost of words  
words to comfort

if only  
i will just hug  
i will just kiss  
then silence

truth is that I  
...searching  
will you ever mend?

# I'M Soury

do we do the words

do we see the dust

from the shadows between

in far side unseen

so we say

what we don't know

far fetch from the snow

buried in the mountains

i beseech my guilt

i came down

to utter

to make appease

# Keep Shining Kiko

you shall never see  
one hero as great as he  
thanks for the love  
the many things  
you did for this country  
you'll be remembered  
each shining will be!

# Lighthouse In Me

So each have a journey  
We often wander  
Sailing in serenity  
Searching to yonder

Life's full of bliss  
Sometimes misery  
Leaping beyond  
Sailing + Lighthouse

Who needs a lighthouse  
Canoe arise to shrink  
A light forgotten  
But standing

Cast all the darkness  
Shed a light from me  
Rays will led  
Sleep in my arms finally

# My Love Story In Two Minutes

I ask for a man but he's wasn't the one.  
He gave me the man but he wasn't awesome.  
He gave me the awesome but he wasn't social.  
He gave me the social but he wasn't special.  
He gave me the special and there's the end  
You're the one.

# No Ending

did you ever feel  
love's that's lost  
and you know it's real  
you stayed  
waited for the rain  
wanting sun not to shine again  
it's difficult  
for a true love  
there's no ending

# Skeptic

SkePtIC

Love dies quick at one speak

Love vanish

When it is not watered

Who cared

Who says

The 'ho' doesn't know

Who knows?

We never love

We never live

We scream....

Finding our silence.

# Stinky Blanket

stinky blanket  
here he comes  
stinky blanket  
how soiled you are

stinky blanket  
fabric unrecognized  
look how soiled you are

stinky blanket  
please do me favor  
warm the husband  
wherever you are
