## nevaeh 101(1-16-1992)

I am a 19 yr old girl who loves to ride horses, sing, write poems, song, and books. I have something well lets say unique in a way and very dangerous some times ((please don't ask me what i mean)) . I love being outside when cold and sometimes hot the sun irritate my eyes. I also love hanging with friends sometimes but being with animals more.

# Alone

I feel alone,  
When no one is here.  
I feel alone,  
When everyone is here too.  
I feel alone,  
I feel like I don't belong here.  
I feel alone,  
Cause I am the only one,  
Like me.  
No one here,  
Is what I am.  
I am all alone,  
Here.

# At Midnight

I stay awake, up until midnight,  
I think about how much, I love you.  
How much I miss you, and how much I want you to be holding me, right now.  
At midnight, I imagine you here with me,  
but it is not the same. If you were truly here at midnight,  
I would never ever let you go.  
'Cause midnight is a special time, it is the time that separates, day and night,  
and yesterday from today.  
At midnight, I stay awake and think about how much I love you.

## I Am In Love With A.....

I am in love with a,  
Vampire no a werewolf  
Actually I am in love with a,  
Monkey no a orang-a-tang  
No, no I am actually in love with a,  
Monster no, no, no, no just kidding.  
I am truly in love with.....  
You.

# Me And Your Or You And Me?

Me and You,  
or...  
You and Me.  
I don't know,  
what order to put them in.  
But as long as its,  
Me and You,  
or...  
You and Me.  
Forever,  
I'll be as,  
Happy as i can,  
be.  
But do you want,  
there to be....  
a Me and You,  
or....  
You and Me.  
Its your choice,  
to make....  
But make the right one,  
What is it going to be,  
Me and You,  
or....  
You and Me,  
or....  
Neither.  
Hurry up and,  
make your choice.  
Would you rather,  
have a....  
Me and You,  
or....  
You and Me,  
or....  
Neither.

# My Guardian Angel

My gaurdian angel,  
is not just my angel.  
My gaurdian angel,  
is also my best friend.

My gaurdian angel,  
will never leave my side,  
No matter where I go,  
she is always by my side.

My gaurdian angel,  
will always be with me,  
forever and ever.

My gaurdian angel,  
my gaurdian angel.

# My Love

My love for you,  
will always be true.  
I would never hurt you,  
that would be the last thing I would ever do to you.  
My love is yours,  
you can have it or throw it away.  
Whatever you decide to do with my love is up to you,  
but I want you to know,  
that no matter what.  
My love will always be yours,  
and yours alone.

# She Hurt You

When you were with her,  
she made you feel,  
like you were walking on air.  
Then one day,  
she says its over.  
you break down,  
and began to get,  
sad and depressed.  
But i am here for you,  
even when i am not,  
physically there.

# Unknown

He makes me feel happy,  
and makes me smile.

I don't know what i would do,  
would do without him.

Sometimes he makes me sad,  
and i just wanna run and never stop.

He makes me crazy,  
sometimes i don't want to be with him,  
but i don't think i can stand being away being away from him.

He makes me wanna cry,  
at times but i don't.

He just makes me so happy,  
I just can't be mad at him,  
at all.

# What Would You Do Without Me?

What would you do without me.....

would you cry or laugh,

or

would you live or die.

What would you do without me.....

would you go and do whatever you want to do,

or

would you stay at home and mourn over me.

Hmm.. What would you do without me?

I bet I know, you would probably go and find a new chick,  
because I am no longer here.

# Why Do I Feel This Way?

Why do I feel this way,  
About you.  
When I don't even,  
Know you.  
What I have for you,  
Feels like its real.  
Because I know,  
What you are.  
You know what,  
I am too.

# Why Do I?

Why do i,  
let myself get hurt?  
Why do i,  
make myself act like i know you?  
Why do i,  
fall for you,  
when you don't even love me?  
Why do i,  
get hurt everytime,  
i fall for anyone?  
Why do i,  
Why do i?

# Why Live My Life?

Why live my life,  
When your not here.  
I feel like I could die,  
If you weren't beside me.  
I wish you were here,  
So I could live my life.  
And not feel afraid to die,  
Here without you.
