The Shhtatastic Rap

1 2 3 and to the 4

I'm getting ready to kick your mom out the door

I'm lyrically and spiritually gifted,

imma surprise yall like when my nigas got fitted.

when I battle people its just unfair

I put it down like Frazier Gang and yall nigas are just unaware

I put more damage on the MIC than Frazier Gang's meant to be

all my shh is the shh and thats no mystery.

I would keep going to make this worse,

but I don't feel like calling up a nurse.
