# A Good Leader

Good Leadership means  
To lead yourself into a good life  
Good life for yourself requests  
Being a fulfilled and content  
Human being with strong basics  
If you can't give to yourself  
What your heart and soul needs,  
Wisdom will fly away  
You will give your children  
A life with cold hearted decisions -  
Your sons will follow your path

Petra Yasmeen Baroness von Schleinitz

# Anatolia

Travelling on the path of history  
Along the Silk Road  
Feeling like Cleopatra  
On the way to conquer hearts and land  
Seeing breath taking landscapes  
Looking into friendly faces  
Taking a bath in hot springs  
Feeling welcome  
Where human civilization started

# Back To Zurich

Coming back to Zurich  
Walking with the spirits of past  
Sitting at the lake site  
Going on the boat  
Remembering all these beautiful moments  
Where we were full of joy and hope  
The world seemed to belong to us  
Nobody should have been able to destroy this

Petra Yasmeen Baroness von Schleinitz

# Bed Of Roses

You send me thousands of roses  
And make me feel your princess  
You are the man out of millions  
Who is able to impress me every day  
My love for you is growing day by day  
Like a rose blossom  
I love to be in your arms  
And listen to you with respect and attention

Petra Yasmeen Baroness von Schleinitz

# Building A Bridge Of Love

Feelings of love  
Feelings of understanding  
Two souls made for each other  
A mighty wild river between us  
Different families  
Different tribes  
Different cultures  
Too many people, too many fights  
Two silent souls looking sadly  
Each one on the other side of the river  
Hearts are flying across the water  
Love will be building a bridge

Petra Yasmeen Baroness von Schleinitz

# Conquering My Heart

To be the Knight of my heart  
You have to fight for it  
It needs the rose of wisdom  
It needs the wine of honesty  
It needs the sword of strong will  
The high wall of trust has to be climbed  
When you find the key  
I will follow you to the isle of happiness

Petra Yasmeen Baroness von Schleinitz

# Dive Into Deep Sea

Pressure of appointments  
Pressure of having success  
Pressure of so many people's expectation  
Did not have time to relax for very long  
Somebody closed was very sick  
Wanted to talk on the phone  
Was not possible  
Will dive into the deep blue sea  
Just want to see blue water  
And some colourful fish  
Want to play with dolphins  
And forget the rest of the world

Petra Yasmeen Baroness von Schleinitz

# Every Day's Challenge

The alarm clock rings  
I don't want to wake up  
I want to go back to my dream world  
Staying in your arms forever  
White skin on dark skin  
Red hair on black hair  
Kissing your wonderful lips  
The alarm doesn't give up  
Another day is waiting,  
Jump out of bed  
Go for a run out in the fields  
I will love you forever

Petra Yasmeen Baroness von Schleinitz

# Flowers

Flowers are presents to human kind right from the waters of paradise, send to us  
to remind us of beauty and innocence

Flowers should lead us to the way to beauty and love

We should rest a while to fill our soul with rose fragrance

to lead our heart to the path of love

Petra Yasmeen Baroness von Schleinitz

# Flying

Beautiful eyes  
Perfect body  
Created to move  
Horses are beautiful creatures  
Sitting on the horse back  
Flying to the sky  
Fields are flimmering in the sunshine  
Birds are singing in the trees  
My heart jumps  
What a beautiful moment

Petra Yasmeen Baroness von Schleinitz

# Follow Me To Our Strawberry Fields

Follow me to our strawberry fields  
let us share all these fruits  
Follow me to our strawberry fields  
where we are alone  
Follow me to our strawberry fields  
where time stands still  
Follow me to our strawberry fields  
and kiss my red lips

Petra Yasmeen Baroness von Schleinitz

# From Cairo To Assuan

Still feeling breathless  
With all these great impressions  
Being on the river Nile  
Which has the same colour then my eyes  
I remember you saying this  
Travelled all over this wonderful country  
Seen all these holy places  
Where history took place  
Met all these friendly people  
Who are as beautiful as Cleopatra  
Listened to this wonderful music  
And saw the heart of Egypt

Petra Yasmeen Baroness von Schleinitz

# Greec Sculpture

Don't tease me with your perfect body  
Don't provoke me with your great humour  
Don't send me stories anymore filled  
With wonderful fantasies  
I know you are perfect  
Don't prove it to me  
I know you are handsome  
Don't need to get my attention  
Please leave me alone  
I want to be alone with my thoughts  
Your perfume is teasing my nose

Petra Yasmeen Baroness von Schleinitz

# Heart Of A Lion

Whatever comes in life  
Even if it rocks deep down  
Take a decision and make up your mind  
Even if mountains will be put in your way  
The only thing which counts is a strong will  
And a heart like a lion  
Nothing will be unreachable then  
and respect will be your companion

Petra Yasmeen Baroness von Schleinitz

# Himalaya

I am sitting on top of the world  
At the lake site  
Drinking green tea  
I never saw beauty like that  
Never saw clearness like that  
Feeling like coming home  
Feeling like being near to Heaven  
Wish I could share this with you  
Being on the other side of the world  
I am in your world  
You are in my world  
Sharing cultures  
Being so closed  
And being so far  
Two soules being one

Petra Yasmeen Baroness von Schleinitz

# Home

Thinking about home  
Travelled a lot  
The whole life is a big journey  
So many nice places  
So many open hearts  
Where do you belong?  
Where your heart wants to go

Petra Yasmeen Baroness von Schleinitz

# Inside Of Africa

This year will be a year of travelling  
Africa is waiting for me  
Asia is waiting for me  
Turkey is waiting for me  
I am looking forward to meet new people  
I am looking forward to see beautiful landscapes  
I am looking forward to enjoy and feeling welcome  
I will swim in the river Nile  
I will ride on Arabian horses in the desert  
God is the best planner  
I am on the way of joy and fulfilment

Petra Yasmeen Baroness von Schleinitz

# It's Over

It is over now  
A wonderful story found it's end  
You are caged in a middle age life  
Trying to face the modern world  
Succeeding nowhere  
We were on that beautiful islands  
Surrounded with flowers and love  
A thunderstorm woke us up  
we were spreading in two directions

Petra Yasmeen Baroness von Schleinitz

# Letter To Heaven

It would have been my wish  
To see you growing up  
To run with you in the meadows  
To teach you swimming and biking  
To hold you in my arms when you are sad  
To smile with you in happy moments  
To be with you on your first school day  
You are standing in the light  
May be you are sitting with your grandfather  
Talking about your father  
I will send you my love every day  
And bring colourful flowers

Petra Yasmeen Baroness von Schleinitz

# Love

Love is sunshine and rain  
Love is waves of emotions  
Love is giving and taking  
Love is beautiful and warm  
Love is work day by day  
Love is being respectful  
Love is like watering a plant  
Day by Day

Petra Yasmeen Baroness von Schleinitz

# Love Of Your Life

The Knowledge  
To experience  
Real love in life  
Is a precious gift  
Which will never go away from you  
All the beautiful hours  
And moments of passion  
Will be memories for eternity

Petra Yasmeen Baroness von Schleinitz

# Message To You

Talked to you on the phone yesterday  
You sounded tired after a long travel  
My heart is jumping when I hear your voice  
Living without you is very difficult  
My heart is full of love for you  
My lips are crying for your lips  
I will always love you

Petra Yasmeen Baroness von Schleinitz

# Miracles Of Life

How does it come?

We fall for each other

Again and again and again

Is there a fairy sprinkling the golden dust of passion

Is there the silver band of irresistible attraction?

Or is it real love

May be we find out

One day

Petra Yasmeen Baroness von Schleinitz

# My Love

Even if I am not with you  
I am with you  
I am with you every night  
I am with you every day  
You are my love  
I will always love you  
I Miss your voice  
I miss your arms around me  
You are so many miles away from me  
I love you

Petra Yasmeen Baroness von Schleinitz

## Pure Life

He insulted me as a woman  
I was hurt deep down in my heart and soul  
I ignored him - also I could have had him fired  
His family is depending on his money  
No he asks me to help his wife  
Because she is sick  
How hard God is challenging me  
To follow the truthful and pure path of a believer's life  
and helping a sick sister

Petra Yasmeen Baroness von Schleinitz

# River

I am walking along the river side  
The river flows slowly and lazy  
The world is very green  
After rain and thunderstorm  
Dogs are jumping around me  
Guarding me  
I go for a swim into the warm water  
I wish you could be here  
Sharing all this beauty with me  
Walking with me on top of the mountain  
Sitting on your favourite bench  
Holding hands forever

Petra Yasmeen Baroness von Schleinitz

# Sleepless Nights In Cairo

I am looking forward to nights in Cairo  
Finding out the spirit of Egypt  
Travelling around in the country  
Being on the path of Cleopatra  
Seeing Luxor and exploring the place of my dreams  
Can't wait to pack suitcases again  
Hoping the time will pass quickly  
Going to Africa as well  
Looking forward to meet my sisters and brothers  
Like a Life in a field of roses  
I am the german rose

Petra Yasmeen Baroness von Schleinitz

# Spirits Of Love

You were in my arms  
after a long time  
looking in your eyes  
feeling your breath in my hair  
your lips on my lips  
time is endless  
world stops turning  
Our love will never end

Petra Yasmeen Baroness von Schleinitz

# The Beggar

Don't come like a beggar  
Come with pride like a king  
And remind yourself  
You have strong arms  
To wrap around her  
Look deep into her eyes  
And words won't be needed  
You could say  
That you love her  
That you missed her  
She is your rose in the desert  
You are her sunshine and rain  
Her love is greater than drops in the ocean  
Your love is stronger than mountain tigers  
Take her in your arms forever

Petra Yasmeen Baroness von Schleinitz

# The Boy From Chak Pirana

I am sitting in front of him  
And can't believe  
How a person becomes cruel  
Is it because you grew up without shoes  
Or was it the beating of your father?  
If you start beating a young puppie  
It will be a grown up biter  
With your internal hate  
You demantle your own world  
Hurting others  
You hurt yourself  
What is life?  
Life is the result of our love

Petra Yasmeen Baroness von Schleinitz

# The Dark Country

What makes me love this country  
Where so much blood is wasted  
Where poor people are dying  
Because nobody wants to see their misery  
People are cold and dark  
Full of bad thoughts from others  
Racism is their daily bread  
Bad thoughts about their neighbours  
Is their way of life

What makes me love this country  
Where people are hurting me the most  
Is Allah really hearing their prayers?  
Where corruption is the normal daily business

What makes me love this country  
Where democracy is a strange word  
Where parents are forcing their children  
Into a miserable life

What makes me love this country  
Where so many children are sick because of poverty

I saw a little star of hope  
Where young people have the idea to reach anything in life  
Where the air in the mountains is fresh and innocent  
Where the wind of change could be a big chance  
If the young generation will have a strong back bone  
And will listen to the voice in their heart

Petra Yasmeen Baroness von Schleinitz

# The Meaning Of Love

Love is the reminder of paradise  
Love and to be loved  
is the perfection of existence

Petra Yasmeen Baroness von Schleinitz

# The Pathani Woman

The Pathani woman is hard working  
She sometimes is hard to herself  
But inside of her heart  
She is soft like a peach  
She is solid and loyal like a diamond  
She is sweet and jolly like a spring in the mountains  
She is pure like the snow in Himalaya  
He called me pathani woman  
It was the most beautiful compliment

Petra Yasmeen Baroness von Schleinitz

# The Perfume

I created your perfume  
Dedicated to my love  
The arome of your perfume is unique  
So you are unique to me  
Life is where love is!  
Love will never die!  
Love will always survive!  
Come back to the field of Flowers  
where we are sharing everything.

Petra Yasmeen Baroness von Schleinitz

# The Rock Climber Of Stone Woods

He is innocent like a child  
A pure soul  
Climbing up rock and mountains  
Head up in the sky  
He has no answers for kids  
No answers for loved ones  
Climbing up higher and higher  
Head up in the sky  
Children need strong words  
Need limits and discussions  
He climbs higher and higher  
Head up in the sky  
No lover, no father, no brother and friend  
Light like a feather climbing higher and higher  
Head up in the sky  
Mountains embrace him  
World will forget him

Petra Yasmeen Baroness von Schleinitz

# Travelling

Again at the airport  
Flying here and there  
Business as usual  
Meeting people all over this planet  
Looking for one face  
This face is burned in my soul  
Unforgettable

Petra Yasmeen Baroness von Schleinitz

# Wanted

Looking for sincerity  
Looking for respect  
Looking for a daily life  
Sharing important things  
Laughing about silly things  
Reading books together  
Having dinner together  
I could have had the glittering world  
But I prefer the simple loving basic life  
Let us make a fire and feel the cosiness together

Petra Yasmeen Baroness von Schleinitz

# You

You are the summer wind who carries me to the river banks  
You are the ship which brings me across the sea  
You are the honey which sweetens my life  
You are the fragrance which makes me dream  
You are the mountain who brings freshness to me  
You are the fire which shines in my soul  
You are my world

Petra Yasmeen Baroness von Schleinitz

# You Are My All In All

You are my strength when I am weak  
you are the moon when everything is dark  
you are the rock in the sea when I drown  
you are the smile when everything is crying  
You are my all in all  
You are a beautiful Island in the sea  
You are the cloud when the sun is blinding me  
You are my all in all  
Love is a gift and like a fragile rose  
it needs to be watered day by day  
You are my all in all

Petra Yasmeen Baroness von Schleinitz

# Youandme

&lt;/&gt;You will come soon  
We will stand in front of each other  
after such a long time  
hearing your warm voice on the phone  
is different then looking into your eyes  
feeling your strong arms around me  
How will we survive  
when Allah hasn't got a plan for us

Petra Yasmeen Baroness von Schleinitz

# Your Body Is Your Temple

Our body has been given to us like a gift. We should treat it like a precious gem!  
Take time for yourself and rest and do something good for yourself! See the  
beauty in yourself and peace will come upon you

Petra Yasmeen Baroness von Schleinitz

# Zurich Attracts Me

Again in Zurich  
Again sunshine  
I love to come back  
But not only because of Zurich  
Life is really fun  
My cheeks are red like a rose blossom

Petra Yasmeen Baroness von Schleinitz
