# Always There

You are always there when i need you the most.  
I will always remember you in my heart. You will  
be missed so much. And i thank you for being there.  
And we really had great times. And have a great furture.  
And someday we will see each other again.

# Both Dream And Life Can Be Real Or Fake

Dreaming is one fake life but life itself is true.  
Dreams are part a fakeness inside. Don't let life and  
dreams confuse you from inside your heart. Sometimes  
dreams can be real and life can be fake. Still its true  
its all a dream.

# Broken Sadness

A broken sadness is so sad.  
I don't know why broken sadness  
is so much sadness. Sometimes you see  
people just sitting around looking so sad. You  
can tell if people are sad. Because their faces show  
it. They let so much feelings out. It just hurts them  
inside.

# Dreams

Dreams are fake.

Dreams are real.

Could dreams be real or fake.

What is the meaning of dreaming.

You would never know if dreams could be real  
or fake.

Intill you try dreaming yourself.

# Forgiveness

Forgiveness is strong. Forgiveness is real to you.  
I always forgive you. I know you will forgive me inside

# Friendship

Friendships are truthful. Friendships are important.  
Sometimes friendships are hurtful to you. Friendship  
is suppose to be cheerful to others. Friendships don't  
always turn out the way you want. Friendships is a good  
thing you have with others. Friendship is always true to  
you.

# Heart Beat.....

Why do i have this heart beat.  
Why does it beat so fast.  
Why does it beat so slow.  
Why is it so fast then  
so slow.  
I fear the heart beat of death.  
Why does it have to happen like this  
Why is it such a strange sound.  
I want it to slow down  
It is so helpless.  
So strange.  
Why me.! ! ! ! ! ! !

# Love

Why is love so right. why is love  
so meaning full. Why is love so not.  
love is always going to be part of life.  
No matter what you do or think everybody has  
a love to find. And others will search for there  
lovers.

# Point Of Lines

What is the point of lines.

What if the whole earth was just lines.

What would you do if it was all true.

You will never know the truth from what

is wrong with the earth's environment.

You will never know it and till you see

it for yourself.

# Relationships

Relationships are very important to a lot of people.  
They trust there relationships. Relationships are with  
people you love. and want to stay with. Relationships are  
sometimes hurtful. Relationships don't last forever.  
So don't worry you will find your special person someday

# Those Lips

Your lips.

My lips.

Your lips are so soft and warm.

My lips are so cold and icy.

As soon as are lips touch.

We feel this strange connection.

Between you and me.

I love those lips of yours.
