hi

Every Rose.

All the love that
History knows
Is said to be in
Every roose
Yet all the love
That could be found in 2
Is less that what
What i feel for you

Lost In Your Eyes

I can't seem to get you off my mind, there are words I'm searching for but cant find, you give me that feeling in my stomach when I see you, you have me falling and I can't control what I do, I live on your breath, I would die if you left, you mean the world to me, I hope that's something you can see, I look forward to seeing you everyday, I can't describe why I feel this way. I am lost without you.

Love Will Never Go Away

Every night you are in my dreams
Every second you are on my mind
Every day your face is carved in my heart,

Rachel linklaterprosper

Never Met You.

Sometimes I wish i had never met you because
Then I could go to sleep at night not knowing
Someone out there like you.

Rachel linklaterprosper

Not Me.

Behind my smile is a hurting heart.
Behind my laugh I am falling apart.
If you look closely at me
You will see, the girl inside isn't really me.

Ocean, Ocean

Ocean, Ocean
Some footprint's
Some snail's
Lot's of whale's
So pretty
So beautiful
LikeThe Sparkel in your eye's

Tears

Don't cry when the sun is gone,
Because the tears wont let you see the stars,

Treasures.

The greatest treasures
are those invisible to the eye
but found by the heart.

When I Look At You

You can't see anything. your love for me is nothing. Although you can't see it, I can truly feel it, Your face is in my head. When I'm around you, I am an airhead, if you like her, I'll feel misread...& forgotten. I wish I hadn't met you, So I could live my life through
