Dream Girls

Dream Girls

..... Ranakobi

In every night
When i am on bed,
My eyes closed to sleep
Then i see you..
In my dream..
All feeling combine to each other
You are a girl &
i am a boy
Nothing to hide
nothing to say
Only want to see
I confused to say you angel
because you better than angel
You are my love
You are my heart
You are the Queen of my heart
You are my dream girl
without you i can't to live
Can't to sleep....

My Love

When i see you
My soul talk to me
asking me some question
want to answer
But i confused
what can i say?
She was my dream Girl
My love...
My love...
