Friends

friends are those who love u more
not for him, for your soul
he know your feeling,
without your saying,
he gave u more without mothing paying
so, love him more
and feel well sure

My India

audhyogikaran ke yug me rach denge naya itihas,
jo bana dega bharat ko pure vishb me bahut hi khas.
janha na hoga bhukhi janta na koi bekaar
than liya hai hamne,
kareng aisa bharat nirman!
