# Life Without Living

Anybody stares at anybody ND LIES  
but why that is happening  
life is made of crystal stairs  
but be cutious from nials  
Diasaster and trimph are always there  
Rase you up and down you fall!  
Everybody in here needs money  
Moneys is the structure and the chemical makeup of you  
Life is knife  
You can use it to cut vegtebles to eat  
or cut your body to die!
