## Shannon Edelman(Jan 4,1992)

I am a very nice person I have brown hair green eyes. I love to write poems and I love to talk to people that can be fun and keep a conversation going. I am really into people who love writing poems. I sometimes consider myself crazy and freaky but that dont mean i am like that all the time. but it fun being crazy.

# Harsh Words

Harsh words and violent blows  
Hidden secrets nobody knows  
Eyes are open, hands are fisted  
Deep inside I`m warped and twisted  
So many tricks and so many lies  
Too many whens and too many whys  
Nobody`s special, nobody`s gifted  
I`m just me warped and twisted  
Sleeping awake and choking on a dream  
Listening loudly to a silent scream  
Call my mind, the numbers unlisted  
Lost in someone so warped and twisted  
On my knees alive but dead  
Look at the invisible blood I`ve bled  
I`m not gone, my mind has drifted  
Don`t expect much, I`m warped and twisted  
Burnt out, wasted, empty and hollow  
Today`s just yesturday`s tomorrow  
The sun died out, the ashes sifted  
I`m still here warped and twisted

# Last Night

Last night I sat outside and prayed  
For god to take my life away  
Bitter tears ran down my face  
Tears for the happiness I always chase  
The terrible lows, the dizzying highs  
I`m watching my life pass me by  
Waiting to live, wanting to die  
I don`t want to just sit here and cry  
Alcohol tempts me it`s intoxicating smell  
An easy way out of this painful hell  
A couple of shots, a bottle of pills  
One`s fast, one`s slow but they both kill  
The pursuit of happiness has become an obsession  
One word in my head always depression  
Maybe tonight won`t be so bad  
Tonight perhaps, I won`t be sad  
Maybe tonight, I can sit outside and smile  
And maybe....just for a little while

# 'Yesterday' Night

Last night i sat in my room  
deciding what to use to cut  
myself with but i just grabbed  
the blade and slowly put it on  
my wrist and cut all the way up  
my arm it felt good but always  
felt bad, you never know by cutting  
yourself you dont know what will happen  
or what to do, so i hope you all thnk before  
you do anything stupied like cut yourself  
like i did over and over again so dont take the  
pain on other people but also dont take it that  
hard on yourself.
