Believe In Yourself

Never

Talk

Down to

yourself just believe and you will achieve, believe within
yourself and know that you can do it, know that you can
trust

yourself

first

before you trust anyone else, because putting your trust in someone
is some what a waste of time! ! !

Believe

Within

Yourself!

Downside

I go through life knowing that there is a downside to everything yet I live even when theres question to be ask knowing that I will give the answer yet theres a downside to that.

What if there were a question to be ask and there was no answer, is there a downside to that?

Life Is Not A Mistake

I AM HERE IN THIS WORLD KNOWING NOW DAT LIFE IS NOT A MISTAKE, ITS NOT EVEN A PROBLEM OR A BIG DEAL ITS A WORLD MIX WITH WHITE, BLACK, AND EVEN MORE PEOPLE DAT YOU CAN IMAGE.

KNOWING DAT THERE IS ALWAYS A REASON WHY YOU LIVE, YOU MAY WNT TO DIE, BUT ITS NOT OVER, YOU MAY WNT TO GIVE UP BUT LIFE WANTS YOU TO TRY HARDER JUST KNOW DAT LIFE IS NOT A MISTAKE.

Not Yet A Woman

I KNOW WHO I AM IM A GIRL BUT NOT YET A WOMAN HEAD FULL WIT DREAMS,
LYFE FULL WITH MEMORIES.

AS LYFE GOES ON I BECOME MORE OF A UPPER LEVEL GIRL BUT STILL NOT YET
A WOMAN. I HVE NOT TAKEIN IN THE SIMPLE STUFF YET.I AM STILL NOT YEA A
WOMAN.

Reason I Smile

I smile as if nothing wrong, as if the reason we smile made since because we smile to hide our frowns, we smile to hide our disappointments, but yet it's still unseen.

I smile for a reason not a season to show that I am the one who's wearing the biggest smile. So to hve a smile I may achieve.

Secrets

KNOWING DAT SECRETS LIES WITH ME BUT WILL NO LONGER B HELD AGAINST ME.

I MAY HIDE ALL THE PRIDE AND I MAY KEEP ALL THE SECRETS.

KNOWING DAT I LOOK BEYOND WHAT I SEE AND TRY HARDER THEN BELIEVE.

I HIDE WATS THERE, I HIDE WAT WAS SAID, KNOWING DAT ITS A SMALL WORLD THAT ITS A TRIP THROUGH HE** BUT THE SECRETS LIES WITHIN ME.

Where Im From

I am from teddy bears, Nintendo 64, and toy keys

I am from the backyard(Grapevines, hydrangea)

I am from the saying.'Choose your friends wisely.'

Also from the saying.'Don't be a follower be a leader.'

I am from my playmate Kadejah, my cousin.

I am from the praise and worship team and the praise dance team who is always look forward to seen us work our magic you know like show the talent that GOD gave me.

Things was said I never could forget that stay in my mine all the time someone once told me to love myself, and be glad who you are, never let anyone take you down I live with that and cherish it with my life.

I am from a small town that I once love I never forgot the good time I had and the bad times. Although I move to a quiet and better place where I once met a friend, but not a man that's just not me.
