Hopes

Hopes are the Life of Human
Is Today's Sun rise for Me
Is Tomarrows are for Me
Is This vehicle reach the Destination
Is My Learn see my Success
Is My Qualifications give me a Job
Is My Buisness earn Incomes
Is My Love will come Real
Is Me Get a matching Pair
Is Me Get a cute Baby
Is Me See my child a good Position
Is They protect me in my Old
Is Me make a Peaceful Home
Is There I Can See a lot of Sunrise?

Joker

Joker is not a
Joker in his real life
You can see a cap
on his head
That's not only a cap
That's his life weight
He has not head weight
His dress is very colourful
But Life is very blur
He makes jokes for
Entertaining his Audience
He Jocking by Health
Crying by Heart
His Aim is Laughing them
And to see his Family's Smile

Life

Earth is a Field
Love is the Seed
Honest is the Plant
worship is the Fruits
We, The Workers of Fields
God, He is the Owner
Heaven, Amount for Working

My Sixth Scense

I Love like a Brother than.....
He was my Best Friend
He lead me like a captain
That wisdom guide me to all...
He work without the five sense of mine.
But still he alone me....
I lose not only him,
I think, is he my extraorgan?
If i miss the organ
Again i think, he was my losed sixth scense.
