Spending Time Matters

Sit on the edge,
wearing a friendship badge,
make sure,
you love the edge and you love the badge.
Lit up your heart,
fly to the personal berth,
to your topmost secret on this earth.
Spending time, waving wind, and the feelings,
ohhh god i love those WINGS.
the fairy tale of my story is beautiful,
ohhh god you are wonderful.
YOU spend time,
you sure will fall,
like your destination,
like your goal.
you SPEND time you STAND,
like the GREAT WALL, like the WIND.
