Act Lky That

HOW U GONNA SAY WE WEREN'T
WHEN U KNW WE WAS
HOW U GONNA AC LKY THAT?
I GAVE MY HEART TO YOU
SO HOW U GONNA TREAT ME LYK THAT?
HOW CAN U FORGET
ALL THE NIGHTS THAT WE SPENT TOGETHER
ALL THE TIMES WHERE I MADE YOU HAPPY
HOW CAN THIS BE?
YOU KNW THAT I LOVED YOU
SO HOW U GONNA DENY WAT U KNW
MEANS SOMETHING?
HOW CAN U ACT LYK THAT?

As Days Go By

As days go by, I start to think that maybe it had to be lyk this. but as days past I think to myself if I don't do this I'm I gonna regret it? ? ppl keep sayin to just give it a chance n see wat happends, n I want too. but is it too soon? maybe I just want to cuz I hate feelin this. so I'm tryn to cover it up with a different feeln. I guess I'll find out when I take that first step...

Blend In

I blend in and no one see's me
Everyone leaves me alone
I'm just here,
In the back corner
Listening to everyone else talking to their friends
I guess I'm seen as the new kid
Even though a month has passed
But then again no one knows
My name.....
It's Bella by the way

Breath, Breath, Breath

This was for a school assg, we was studyin abt world war 1 and we had to write a poem so this is wat I wrote.....

Breath, Breath, Breath
Push your self even
Pass your limit
Breath, Breath, Breath
You see your men fall
But keep fighting
Breath, Breath, Breath
It's time to move in
Before your emeny strikes again
Breath, Breath, Breath
You know the end
Is almost near
Breath, Breath, Breath
Your weren't watchin your back
So he shot you
Breath, Breath, Breath
Your in this alone
Cuz no one can see you
Breath, Breath, Breath
You hear your men
Scream as mustard gas fills the air
Breath, Breath, Breath
Your grab your gun
knowin the pain will soon end
Breath, Breath, Breath
The pain is gone.
Your now living
With the dead.....

Can'T Help But Wait

I can't help but wait for you
To see that I'm the one
I can't help but wait for you
To see that you need something better
I can't help but wait for you
To know that I love you
I can't help but wait for you
To see that I treat you better
Then her
I can't help but wait for you
To see that your worth more then her
I can't help but wait for you
To see that with me it anit the same
I can't help but wait for you
To come to me,
And see that I'm the one you need
I can't help but wait....

Daddy's Little Girl (Or So He Thought)

I've been kicked around
Pushed down
Be told so many lies
Hiding in the darkness
cuz no one was around
Told they would never leave
But they walked out
Said I'll always be here
But they gave up on me
Started slipping n tripping
N they were gone
Started acting lyk it was just me
Aganist this world
But they came back askin for love
Bleed from my nose
Broke my heart
slapped my face
Act lyk it was nothin
Called me a hoe
Said I would never be loved
I fell down
You came and pushed me on the ground
Even more
I ate dirt while
You just stood there
I fought back
Got much stonger
You took off
Haven't found you yet
But when I do
I swear you'll regret everythin,
Everythin you did
DADDY'S LITTLE GIRL.....
That's wat you once called me
But now
I'm goin to be
Your worst NIGHTMARE.

Don'T Knw Yet

OK FIRST IS FIRST THIS IS JUST COMING OFF MY HEAD, SO IDK IF ITS ANY GOOD...

I'M NOT SURE OF HOW TO PUT IT SO I GUESS THERE'S NO OTHER, WAY FOR ME TO AVOID IT

WHAT I'M FEELING ISN'T NORMAL. THE THING I'M FEELING IS EITHER LOVE OR LUST BUT EITHER WAY I'M

LOVING THE RUSH. I KNOW YOU JUST WANT ME TO COME OUT AND SAY IT BUT BELIEVE IT OR NOT, IM AFRAID. I'M AFRAID THAT YOUR JUST PLAYING WITH MY FEELINGS. TO TELL YOU THE TRUTH I FEEL SOME THING

DIFFERENT. I CAN'T PUT MY FIGER ON IT BUT ALL I KNOW IS THAT YOU MAKE ME HAPPY ;)

SO EVERY NIGHT WHEN WE TALK ON THE PHONE, I JUST THERE WAITING TO HEAR THOSE THREE LITTLE WORDS..... I'VE BEEN SITTING HERE THINKING OF WHAT TO SAY OR MORE LYK HOW TO SAY IT N THIS IS WAT I CAME UP WITH.

I DONT HAVE A REAL TITLE FOR IT.

Fighting Inside

I want to write how I really feel inside but words cant describe.
Too many thoughts not enough lines.
I tell my self to hold it inside
but I just want to break out and cry
I'm not insane but these thoughts are driving me crazy
you see once a upon a time life wasnt like this
but now it is so I guess I'm gonna have to deal with it
i just hope i don't lose it because if i do
I'll never be the same...

Solibella gonzalez

Forgive Me

I'M SITTING HERE THINK ABOUT WHAT I DID
I KNOW,
IF I COULD GO BACK I WOULD
BUT I CANT, ALL I ASK IS THAT U DON'T LEAVE
I NEED U MORE NOW THEN EVER
I'M SORRY IS ALL I CAN SAY,
PLEASE FORGIVE ME
UNDERSTAND THAT ITS NOT WHAT I WANTED TO DO
UNDERSTAND THAT WHAT I FEEL FOR U IS REAL
UNDERSTAND THAT IM SCARED OF LOSING YOU.
I JUST I DON'T KNOW,
DAM I'M OUT OF WORDS
ALL I'M SAYING IS PLEASE DONT LEAVE ME
I KNOW WHAT WE HAVE IS TURNING INTO SOMETHING
THAT I WOULD HATE TO LOSE
DAM I THINK I'M...

Solibella gonzalez

Guilty As F2\$k

TO MANY THOUGHTS THAT RUN THROUGH MY MIND
N NOT ENOUGH TIME.
SITTING HERE WONDERING WHY?
TRYN TO BREATH
BUT STILL NO AIR
TRYN TO UNDERSTAND
BUT I REALLY JUST DONT CARE
TRYN TO FEEL BUT THERE'S NOTHING BUT HATE
I WANT TO WALK AWAY
BUT I NEED ANSWERS
TO WHAT YOU JUST SAID
ALL IT TOOK WAS A SEC
FOR YOU TO JUST BLOW EVERYTHING AWAY
HOW COULD YOU CAUSE SO MUCH PAIN?
YOU TRYN TO PLAY IT OFF
SAYING IT WAS A MISTAKE
BUT IF IT REALL WAS TRUE
THEN WHY YOU HERE PLEADING
YOUR CASE AS IF YOU STILL GOT SOMETHING TO SAY....

Solibella gonzalez

He May Say

He may say that he will
He may say that he wont
He may say that he wants to
He may say that he needs to
But I know he really doesn't
I know that its asking too much
But he wont say it, cuz he's to nice
He may say that he would never
He may say that he would wait
He may say all the things
I want him to say
But in the end
He wont win
I made my choice on saying no
And having our relationship to just
Stay at friends....

Solibella gonzalez

Hurting

I told you to leave
But you stayed
I pushed you away
But some how you
Found your way back
To me
I told myself to just let go
But there' nothin for me to
Let go of if your
Already gone
For some reason I get this
Feeln that you feel the same way
Somethin says that you
Dont want to let go
So we're both hurting
Cuz we knw it can never
Happen again

Solibella gonzalez

I Never

I never told you
How I felt cuz I wasn't sure
I never told you
That I love you
Cuz you might use
It against me
I never told you
That I think abt you everyday
Not one day goes by
That I dont think abt you
I never told you cuz
I was afraid to
Be loved by you
I never told you
Cuz I still do
I never told you
But yet I just did
I never told you
Before cuz I knew wat
You were gonna say
I never told you
Cuz you just walked away
When I said I dont
Love you anymore
Cuz you were too late
I never told you
But this is
My good-bye
I never told you bye
So this is it.
I'm done.....

Solibella gonzalez

I Wish

People just don't understand
Where I've been
What I've seen
What has happen to me
So I close my eyes
And wish for everyone to leave
I wish for a new life
Something that I've never had before
I wish to be away from here
To go somewhere
Where no one will find me
To live in a new world
I wish to be loved
To be told that I'm the only one
To be held with so much love
Just to hear those words
I love you,
I wish,
But it's not coming true....

Letting Go

Letting go, is harder then you think,
Saying goodbye is what makes it worst.
Letting go of all the memories.
Is like trying to forget that it even happened.
As if saying that you regret what you did.
But then having to let people know how you feel.
Isn't something I'm willing to do.
To let them know that they mean a lot.
But yet you hurt them is wrong.
Giving false hope of something that will never occur
Is like letting them come in.
Then closing the door.

You want to make it right again.
But your unsure of how to do so.
To admit that you were wrong.
Isn't enough.
To say I'm sorry,
Is what people have always done.
So I guess there is no other way.
To repair the wrong I've done.
But I read once,
If you keep making the same mistakes,
you'll keep getting the same results.
So I need to change in order to stop
Hurting the ones I love.....

Love N Hate

some times i want to scream n yell at you
some times i just want to get up n leave you
some times im just not sure wat to do
some times i feel so dam happy
some times i wish we never meet
but then again i think to my self,
would i really want that? ?
n the answer is no...
i just feel lyk wat we have has changed
for wat reason im not sure? ?
i mean yea i knw i might be a part of it
but u said it was done n over, that u forgive me
but here i'm thinkin it was a mistake to begin with
im not sure wat to say,
life for me rite now is just so dam hard
n some days u make it better
then again other days u make it worse
im not sayin that i dont want to be with you cuz i do
wat im sayin is to just plz believe me
i guess thats all im askin from you....

Solibella gonzalez

Maze In My Head

I sit here in daze
As everyone else fazes
No one knows
That I feel so out of place
Wonderin which way to go
To follow the crowd
Or be shallowed whole?
To be step and spit on
Or fight back, and hold on
Hiding in the shadows,
Where no one will see me
Cryin myself to sleep
It's gettin harder to breath
Seein no way out
But goin in
Feelin trapped
'Oh Dam, '
I'm losing grip
Slowly one hand lets go
I think it's that time
To just lose hope.....

My Lil Sister

WE'VE BEEN THERE FOR ME
THROUGH THICK N THIN
UR MY OTHER HALF THAT WILL NEVER LEAVE ME
YOUR SPECAIL TO ME IN SO MANY WAYS
I'LL ALWAYS BE THERE WHEN U NEED ME
NO MATTER HOW MANY MISTAKES YOU MAKE
I'LL STAND BY YOU
YOU WERE THERE WHEN I REALLY NEEDED YOU
YOU NEVER LEFT MY SIDE
YOUR THE ONE I OWN MY LIFE TOO
YOUR MY LIL SISTER
N I COULDNT LIVE WITHOUT YOU
MARISOL, I LOVE YOU VERY MUCH N NO MATTER WAT HAPPENDS
I'LL BE THERE FOR YOU.... JUST REMEBER THAT EVEN THOUGH WE HAVE HARD
TIMES
THAT THE GOOD TIMES OVER COME THE BAD ONES
LOVE YOU LIL MAMA....

Solibella gonzalez

My Man

You tell me I'm beautiful everyday
That no other girl could ever take my place
That I'm the only one that makes you happy
But really you don't know
How crazy I'm about you
Your everything I need and want
You have blown me away
Your love is never ending
You bought me roses
Just because you felt like it
And no one has ever done that before
You call me your beautiful flower
But I feel less than that
You say baby I miss you
But really I miss you more than you know
Not being apart from you is so hard
Because everyday I think about me
Being in your arms again.
But like you said
'baby I'll be here no matter what nothing will get in our way'
So I truly believe you're here to stay

Solibella gonzalez

Never Rite

It seems as if we never have it right,
we're always fighting.
never once a laugh of us being happy
always a cry for forgiveness
I dont get it
why keep loving me if your so unhappy?
why keep yelling when there's nothing to fight about?
why keep coimg home with her?
never right
is what it is
never right
that I have to do this
never right
that we lost our love
never right
because im gonna say
goodbye

Once Said

He once said that I meant a lot to him.
So i'm guessing I mean nothing now?
He once said that I was worth
More then gold
So what I'm i worth now?
He once said I'll never hurt you
But yet here i am fallin into pieces.
He once said that he would give me
Everthing he could
But instead he took everything I had
My heart, My life
And just left me with pain
He once said he would give me
A better life and treat me rite
But some how he got it mixed up
And gave me nothin but
A heart break.....

One Too Many Times

One too many lies
That I've heard from you
Stop tryn to cover up
What you knw aint true
Just say it's done with
Instead of wasting our time
There's nothin left
But our good-byes
What use to be
Is no longer there
Stop lyin
To your self
It's over
I'm done with the lies
One Too Many Times
One Too Many Lies
That I've heard from you.....

Solibella gonzalez

One Wish

If I had one wish, we would be best friends

Love would never end, it would just begin

If I had one wish, you would be my boo

Promise to love you, trust me I'll trust you

If I had one wish, we would run away

Making love all day, have us a baby

If I had one wish, I'll make you my whole life

And you'll be my mine, make it right this time

Solibella gonzalez

Pain N Hurt

Tryin to understand is wat makes it harder.
i want to tell you but i cant
i hear everythin you say
and thats how i knw wat i feel isnt ok
i guess you already dont knw,
cuz you cant read my mind
but if i tell you then
wat im i left behide with?
tears and pain? !
to open up isnt a choice
to let you is even worst
to push you away lyk i just did
is wats best
i knw that doin so is hurtin
me way more but i cant stand
knwin that you dont love me anymore
so havin to say good bye is wat i need to do
im sorry i hurt you cuz
thats never wat i meant to do....

Solibella gonzalez

Remember Me

You say to forget and move on
But remember me
And all the good times we had
All the times you held me
All the times you said I love you
Remember me
Think about all the things I gave up for you
All the things we did together
All the tears I cried for you
How about the times where you
Said you wont love anyone but me?
Please remember me
You mean to much to just forget
Life would have no meaning if
I never meet you.
Remember when you said
That life without me would
Be no life at all
So I guess life now means
Something?
I dont get it?
Please remember me
Please dont say that I was nothing
Remember me
And everything I gave you....

Some Days

SOME DAYS ARE FINE OTHER DAYS AREN'T. SOME DAYS I FEEL LYK NOTHIN GOIN RITE THEN OTHER DAYS I FEEL LYK I'M ON TOP OF THE WORLD. SOME DAYS I DON'T WANT TO SAY ANYTHIN N SOME DAYS THERE JUST SO MUCH TOO SAY. SOME DAYS I WANT TO JUST GIVE UP BUT THEN AGAIN OTHER DAYS I PUSH MY SELF TO TRY. SOME DAYS I THINK BACK TO WAT I'VE DONE N I THINK TO MY SELF WHAT THE F2\$k

Solibella gonzalez

Sperm Donor

You took everything I had
Everything that I had to live for
You stole my dreams
My freedom
And myself being
You took what wasn't yours
And you left
Without feeling remorse
You beat me down
Left me with a black eye
And hate that I have for you
You said,
' I'll kill you.'
So why I'm I not dead?
You said,
' I'll be back.'
So where the F2\$k are you?
I wish to see your death some day
But no by justice
That's not what I want anymore
I just want to see
You in pain
To know how I felt
Being hopeless
Like the way I was.....

The Girl You Dont See

I HAVE A CLASS WITH YOU
BUT OF COURSE YOU DONT KNW THIS
I SIT NEXT TO YOU EVERYDAY HOPING N WAITN
FOR YOU TO SEE ME
BUT I'M THE GIRL YOU DONT SEE
I THINK TO MYSELF
HOW COULD THIS BE?
YOUR WITH HER BUT YOU BELONG TO ME
I'M THE ONE THAT UNDERSTANDS YOU...
YOU SAY WHY DOES LIFE HAVE TO BE LIKE THIS
BUT HAVE YOU EVER THOUGHT THAT
JUST MAYBE I COULD BE THE GIRL OF YOUR DREAMS?
BUT I'M THE GIRL YOU DONT SEE.....

Solibella gonzalez

Thoughts

Can people go insane
From to many thoughts in their head?
I think they can
Can people say what's on their mind?
And some how not sound crazy?
They say,
Once it leaves your mouth it longer belongs to you.
But I'm ok with that
Cuz no one knows who I am
Or even cares to know
So I feel like speaking my mind
Wont harm me
I need a let out of all this feeling
And I think I just found it
So here world these are
My thoughts in my head
And tell me,
I'm I insane?
I'm I normal?
Do you have the same thoughts?
I guess age really doesn't matter
I'm 16 and I already sound like I'm older
Only if you were to meet me in person
I seem to be a innocent girl with a smile on her face
But inside
Inside is a burning hell.....

Solibella gonzalez

To Good To Be True

THINKN ABT YOU MAKES ME WANNA CRY
ALL THE TRUTH I SEE YOU IN UR EYES
MAKES ME FEEL LYK YOUR REALLY THE ONLY ONE
BUT EVERY TIME I HAVE YOU
I THINK TO MYSELF YOU MUST BE
TO GOOD TO BE TRUE
YOU NEVER RISE YOUR VOICE
YOU NEVER FIGHT WITH ME
YOU NEVER TELL ME A LIE
SO I THINK TO MYSELF
YOU MUST BE
TO GOOD TO BE TRUE
SOMETHINGS ARE BETTER LEFT UNSAID
BUT THERE'S NOTHIN TO HIDE
SO YOU KNW EVERYTHING IS THERE IS TO KNW
NO NEED FOR LYING
NO NEED FOR CHEATING
CUZ EVERTHING YOU HAVE I NEED
NO NEED FOR FIGHTING
CUZ UR ALWAYS RITE
YOU MUST REALLY BE
TO GOOD TO BE TRUE

Today March 3rd 2011

Rain falls down
As I look out at the window
Life seems to be going slow
As I sit in this class room
Learning nothing but what the human race has gotten
Themselves into
Texting on my phone
Cuz I have better things to do
Watching all the kids act like a bunch of fools
People sleeping in class
Other's reading books
With their ipod in hand
The guy next to me is trying to see what I'm writing
It's still raining outside
The sub-teacher paces back and forth, talking
Announcements started,
But as if anyone cares about the pep-rally
' Join a club and get involved in your school.'
They just want our money
3 kids just got up and left
Teacher just keeps talking
Rain still continues to pour down
2 mins until I go,
To another class and to repeat the same thing
I hate school

Solibella gonzalez

Tryn

Tryn to move forward but
Some how my body and mind
Won't let me
These thoughts and feelns
Run through my head
As if it's sayin
'Dont forget me'
Always running into somethin that
Always ends up hurtin me
Never havin the courage to say
Wat I've been wantin to say
Tryn to understand everythin
But yet I cannot
Cuz there's just too much
To think abt
Wonderin if wat I'm doin rite
Now is right at all? ?
That if I'm the one to blame
For everythin?
That I'm the one who caused this? ?
So stop n stay or
Keep moving?
Tryn to do
But not sure wat to do.....

Solibella gonzalez

Wat's Believe N Hope?

TOO MANY THOUGHTS THAT I CANNOT CONTROL
TOO MANY FEELINGS THAT AREN'T CLEAR
TRYN TO UNDERSTAND WATS REAL
HOPE IS NOT SOMETHIN THAT I RELAY ON
CUZ IN DOIN SO CAN HURT YOU MORE
BUT YOU SAY TO JUST BELIEVE
BUT BELIEVE IN WAT?
YOUR THE ONE THAT WALKED OUT NOT ME
N YET YOU STAND HERE N TELL ME
TO SEE THE OTHER SIDE OF THE STORY
BUT THERE ISN'T ANOTHER SIDE
YOU F2\$KED UP N I FELL APART
YOU BLAME ME FOR LETTIN GO
BUT YOU WERE LONG GONE B4
I COULD GET YOU BACK
SO DONT POINT FINGERS AT ME FOR
YOUR MISTAKES

Solibella gonzalez
