All I Want

All I want is to close my eyes
All I want is to disappear
All I want is for you to see
How much pain you gave to me

sophia lynn

Forever In Your Soul

I don't know what is gonna happen
I don't know what to do
I just hope you find a place to forgive me thou
I hope you don't think it is your fault

And I hope I didn't make a mistake
Nobody knows what I go threw
Nobody will ever get it
I hope you don't make fun of me

I hope you don't think of me different
Don't worry I will still go
Day by day acting like
Nothing is wrong

It is easy for me to do so
because I been doing it for so long
To make people happy because I just don't no why
Well I know you won't see this soon

Or if you ever will
But i just got to say thanks for being there
I don't have much more to say
But one last thing I want you to know
I will always be
forever in your soul

I'LI Be Okay

you could not of done anything
You done everything you could
Ill be okay don't worry
You tried and tried
You did all you could

You couldn't stop me
Only one person could
And she didn't care
She would be happy

That I'm not there
She won't have to worry
About my room or grades
She won't have to worry
About me these days

I'M Ready To Go Now

I am ready to go
My time has come
Don't cry for me
Don't cry at all

We both will be okay
I am in a better place
Maybe I am
Maybe I'm not

But were ever I am
I will be all right
We will meet again
Just fight throu the pain

I left you all
It will get better
I promise you all
It's my time to go

sophia lynn

I'M Set Free

I'm set free from all the pain
I'm set free from all the fear
I'm set free from hearing your voice
I'm set free from the pain you gave
I'm set free of trying to do everything right
I'm set free and thats what i like

I'M Sorry

It sucks when your all alone not knowing what to do
It sucks when you have no one there for you
It sucks when the only person you care for doesn't care for you
I'm sorry for the pain I put you threw
I don't know what else to do

sophia lynn

I'M Sorry Dustin

I'm sorry for letting you down
I'm sorry for giving up
I will always be with you
Where ever you go
I'm sorry I'm not there to spend with you
I'm sorry for leaving
But I hope one day
you will forgive me
And believe that
Your DAD and ME will always be with you

It Will Always Be The Same

I sit here and cry
Hoping something will change
But I know nothing will
It will always be the same

sophia lynn

Maybe

Maybe i am wrong
Maybe you don't care
If you don't want to talk to me
I don't care

I will be okay
Just remember one thing
Think of your self
I know it gets hard

When all you do is think of others
I don't have much more to say
But one thing more i want you to know
No matter what happens i will always be yours

My Secret

i have a secret
that nobody knows
do you want to know my secret
that only you can know

my secret is that i have pain
i live in fear

nobody knows how i feel
nobody knows what i hide inside
nobody notice the tears that i cry

now that you know my secret
i hope you keep it inside

sophia lynn

That Girl

She finally breaks threw the pain
All because the words you say
Nobody new what she hid inside
Nobody notice the tears that she cried

She was the girl that always makes people smile
Only because she couldn't make herself smile
She wrote her own ending
she shut her own door

she didn't look for more
so thats all i can say
about a girl
that broke threw her pain

When I Go

Telling you was a mistake
Trusting you I never should have done
It will hurt you more now that you know
So when I go

Don't think of it, as your fault
you couldn't do anything
And when I'm gone
Don't think of it as a bad thing

Think of all the good memories we had.
And remember
I will be with you threw it all

sophia lynn

Wishing

i close my eyes every night
wishing when I wake up
It will be all right
But every morning
Every night
It is the same thing
Just a different day
