Suman Bag(07 march 1993)

Hi, I'm Suman & I'm a nature friendly boy with some cool moves. I like to be honest and yeah that's all.

Once More.

I want to die
One more time
To
Love you
Once more.....: -)

Suman Bag

Tears On Fire

I hold my pain
Once again
I hold it for
My strength
I can't take
Another chance
Coz,
It's time to run
It's time for rain..
I'm giving up
For a solution
I'm giving up
For a conclusion
One decision can
Change my faith
One decision can
Open some gates
& now,
I need some privacy
I need it for I'm busy...
Coz,
My tears on fire
I'm broken down here
I'm broken down here..!

She lied
Enough to me
She played with
Some strategy
She take me up
And broke my heart
Her innocency
Her every part
Hurts me
More and more
I closed myself
By the door
Something I never want
Something now be a part

I sing alone
I live alone
That,
Something i never thought....
So,
I need some privacy
I need it for I'm busy
Coz,
My tears on fire
I'm broken down hire
I'm broken down hire...! ! !
