What I have

I Love my Family 'I have a sound mind'

I Like Luciano Pavarotti

even though.I don't speak a word of italian 'I have a sound mind'

I love my family even though none of us had a choice in the picking :)

I Love my church family..... 'I have a sound mind'

I like the motto of the church on 1212 Hendrick called Faith Fellowship Baptist Church.

'if the bible says, we believe it'

I Love Jesus, my family, friends and I have a sound mind.

I know God has wonderful things in store for me from this time forward!

'I have a sound mind'

A Woman In Love

She has
given a lot of herself
to please you

She is a woman in Love,
pleasing you used to give her
joy

what YOU of asked of her she'd do
she Loved you, with no questions asked

She's a woman in Love
why didn't you ever show her
any appreciations?
you chose
not to ever say
thank you honey

She's a woman in Love

Guess what has happened,
some days ago and it took her a long time to make the step she met a MAN
he giving and doing all
the things you
refused to do

She's a woman in Love
a woman will sometimes continue holding on to a person
that she knows deep in her heart is lying to her face

Right now this day
she's a woman in Love
she's not hallucinating

She's in Love.....

All In One Place

All in one place
waiting eyes
hurt, pain

No one really speaks,
you look at them
looking at you

All in one place
walking canes, walkers
wheelchairs.

Snack machine
Soda machine

Security guard/police

All in one place

Gold real and fake
Silver real and fake

Diamonds real and fake

No one above anyone else

Old, young, babies, toddlers

we are different ethnically
All in one place waiting

smiles here and there laughter

skinny, fat
sitting, standing

all of us are waiting at 4917 Harry Hines Boulevard
waiting OUR turn

All Is Well

It happened so
so smooth that it shocked me
'all is well'

All is well as I'm moving
taking me on a journey
so you've lost respect for me huh?
why didn't you let me know
'all is well'
did you know I cried.
'all is well'
dispite the upheaval

all is well Jugar Olay now.
'all is well'

Sylvia Loven Carter

All Is Well

well is all.
IS all well.

All is well when things don't turn out the way we expect them too
Well is all when they do and we smile
Is all well when we have to get through the next test,
Yes All is well.
All is well, all is well.....All is Well! ! ! ! !

Sylvia Loven Carter

Are So You Thought...

The truth is you did shake the world that I'd become use to.

were you hoping I'd go over the edge? that the world that I was sharing with you
would end my peace of mind would leave me?

'Are so you thought'

I've been asked why did I settle and get comfortable in you're CHAOS
I did plan to Love you till the end of one of our lives.

The truth is you did shake the world that I'd become use to.
you started treating me as if I didn't deserve the very best

As I remember the many times
how you made it a habit to disrespect me as often as you could

So I thought I'd keep on dealing with and taking you're ignorance, you'd come to
your senses oh well.

F.Y.I

I know that it should have been a no-brainer now that it's over

I've got to get together can't do it by my self I need Jesus to help me
this is what I've been dealt

I know you think you've won
and that's sad that you think so.

I've got to get it together...
I have been given strength for the battle.

Comparing

Watching the leave fall from the tree some of them fall lightly some hard, they are different shades of color, during the Fall season. And and yet the fall, some fall to the north, some to the south and some fall on top of each other in the same spot maybe a few minutes in it's almost as if they time the exact time to fall. This process that happens at this time of year is a beautiful thing to watch.

Continued Journey

This is only the start of
my continued journey,
despite the heart breaks, the test and the trails

the departing of acquaintances
she shedding of many tears,
and wondering if I could have made you LOVE me as your wife?

After it's all over I realize no one will do what is not in their
heart to do in the first place,

When they never intended to do right by you. Continued Journey

I learned to and did tolerated things I should have went ballistic about due to
your drama.

This continued journey lets me know that I will be LOVED and give

Love again God has a plan for me and I've come to that part of
my Continued Journey.

Current Healing

So my mind and heart are in the process of healing
I wonder if they are interchangeable? 'the current healing'

The healing of Sylvia Loven Carter
we all find ourselves wanting to be part of something
some group, some organization, or some family

My mind and heart are in the process of healing I had to forgive
and release in order to start this section of my healing

The current healing of Sylvia Loven Carter
everyday I get a little stronger.

Dh Poem Cont.....

It is your home I don't pay bills?
Do you have to take my pride is this the way
you want me to go. God know I would not do
you like that. But I learned that early in life

What hurts me is most is What I'm doing to you
Or were you always this disrespectful
to your men.

Our love seems to go up and down to me
We got to come to a decision you've got a son
the way you treat me is the way he'll
expect women to treat him it's okay cause mom
use to talk to her old boyfriends like this
I am not going to let him believe this.

Sylvia Loven Carter

Do You?

Do you get me?
NOW?
okay how about now?
do you?

Did
you ever see me?
are were you looking for her?
when you saw me?

Do you
understand
me?

how about now?

I am me and not her or any
one else
I cannot be her
because I'm me

and she's her
She's not me

don't try and see any of her
in me

I'm me and not her

Do you see me?
did you ever see me?

how about now?
is there an answer.

Can you handle my ways?
how about now?
okay now?

is there an answer?

Encapsulates

It's Limitless
It's Amazing
it is Timeless

We all long for it Love Encapsulates

It's distinguishing the unconditional absoluteness of.

LOVE

And yet so many of us want it and haven't quite found it.

Encapsulating wonderful 'we are one' LOVE.

Physical contact is not love, it's call lust and hormones doing what they do.

It's Limitless
It's Amazing
it's is Timeless

Evinces

anyone searching for the truth

evince, to make plain; make clear

A voice said speak!

what should I say?

The voice said people don't live forever

yes, all people are like grass

grass dies and the wildflowers fall

But the word of God continues.....FOREVER

Sylvia Loven Carter

He

The men I've seen on public transportation back in the day...

He has beautiful skin he's searching for something from any woman..

you can see he's a that Man takes care of himself and willing to go to a job everyday. Right now any woman's attention he can get he'll take he's searching

Wait not sure if he just made eye contact with her is she the one? searching wondering will we stick together searching or is this a game that people enjoy playing for their own reasons. So many to choose from who will be my good thing?

He has beautiful skin he's searching, not knowing the one he's looking for is still waiting for him to find her.

Sylvia Loven Carter

He Doesn'T

Try and understand he says that he doesn't

It's the same game different century and players/play
the game from Antiquity 'he doesn't LOVE YOU'

He'll do anything to convince/persuade you.. 'he doesn't'
he'll smile and grin with you for awhile...

that is until his fresh bag of strange comes into the picture to replace you

He really thinks he'll have you anytime he wants 'he doesn't LOVE YOU'

I wish I could warn you.

Sylvia Loven Carter

He Loves Me

I Know a man who LOVES me,
although he hide himself from me from time to time
I know for a fact that YOU LOVE me, and offer to me you're everlasting LOVE,
Kindness and Mercy which endures forever. I know a man who Loves me,

The enemy tries to cause me doubt you're LOVE, you said you'd never leave me
nor forsake me with an everlasting you've LOVE me,

I like that EVERLASTING LOVE has made me a prisoner of hope, I know a man
who LOVES ME,

Heart Breaking Woman

I'm heart breaking

I'm a heart breaking
rule making woman
if you'd wanna get to me know there are rules

I've got the hips
lips and swagger

I am a heart breaking rule making
WOMAN! ! !

I am a Heart Breaking rule making Woman
I'll be called by my name

He's Etched In My Memory :) T.E.E.

The way

He walked reminds me of Samuel L Jackson's Gait

His eyes 'Etched in my memory'

Captured my Heart 'He's Etched in my memory'

His name

IS something I'll never forget 'He's etched in my memory'

It was a fun time in my life

His heart was seeking something, only God could fill.

He's the one I would have gone the extra mile with

If we never, meet again You'll always be etched in my memory'

T.E.E. I'll never forget you.

Sylvia Loven Carter

'How Can I'

You're lost again
aren't you?
How, How may I help you?
can I help?

YOU

How can I make you see
you are worth diamonds
Where were you when you needed me?
I was there as always.....

How can I put you aside and go on with me without you,
getting lost again?
How can I help you be?
keep still don't move, snakes are all around, move when I move when it's your
turn I'll move when you move,
How can I make you see we are one together

How Much Silent Noise?

To many voices
some working
some talking amongst themselves
so listening.

Whose sad?
Whose happy?
Whose in Love
Whose in trouble

Who feels like crying out?

How much silent noise am I exposed to?

Whose in charge?

'The Earth is the LORD'S and the fullness thereof'

Do I complain a lot? if so does it change the situation?

How much Silent noise an I exposed to?

Sylvia Loven Carter

Human Race

I was in a home today that I'm sure
I'd probably wouldn't have been invited to come over sometimes.

It's funny we never met in person it appears you lived a comfortable life
the only things we had in common is we are part of the Human Race,
would you have befriended me or vice versa? guess that's something I'll never
know
rest in peace my departed one

Sylvia Loven Carter

I Remember T.M.S

I remember you holding me
kissing me
I remember our scent together
how I enjoyed believing it was just you and I
my theory was I had the ability to satisfy you
I mean something I could succeed at.....

Until you brought another scent home to me, and still claim to LOVE me,
I'm not understanding, and I know it should not have been My fault
it hurt deeply because you did it over, and over, and over again

I got tired, lonely, frustrated, angry
I had to let you go in order for me to survive
I remember you holding me kissing me, before it all went wrong
I remember.

Sylvia Loven Carter

I Will Fear No Evil

Nobody knows the troubles I've seen
except my heavenly Father, and I
I will fear No evil
he knows that my heart and mind what was hurting
deep down inside....I will fear No evil
he knows all, all, about my many faults
I mean many, many faults and still Loves me....
I will fear no evil no body understood
the distress I've felt, except my heavenly Father
he knows how I was hurting and why I was hurting there is nothing done in
secret that
he doesn't know about I will fear no evil
Jesus came into my life, to wipe away my tears and said child I've been waiting
you, to ask me for help. I've been here all of your life and afterward I'll always
be here call me when you're being hindered, when troubles try and ease it's way
back, just cry out Father help me. I will fear no evil

Sylvia Loven Carter

I Will Not Regret

I'm not going to regret LOVING YOU, because I did 'will not regret'
because you know, I knew you knew that I did.

I'm not going to regret giving you the best of what I had to give.

It was my desire to do so 'will not regret'

I'm not going to mourn over Loving you, that proves to me, that
I have better to give to my new one. 'I will not regret'

Sylvia Loven Carter

If I Could

Could I sing a song to you
LORD
what would be the melody
will it bring glory
to who you are?

If I could sing a song to you
LORD would you like the tune, the tempo and the beat?
what words should I use to bring all the glory that's due
you're name

If I could sing a song to you Lord,
how would I express how GRATEFUL
and thankful I am for all you've been
to me.

If I knew the words I'd sing them the way you want me to
If I could sing an anointed song that would it touch the hearts of everyone
who hears or sings it
would that be pleasing to you

If I could sing a song to you
LORD
what would the melody?

Sylvia Loven Carter

If You Were Me.

What I've done in life so far in life, you would have done
because

you'd be me

Sylvia Loven Carter

I'M A Kings Daughter

I'm a Kings daughter

I'm a Kings daughter

I'm a Kings daughter

I

am one of the redeemed children of the King

why can't all the children come together under one name

to feed the hungry and suffering at home first

and abroad?

as children of the exquisitely Perfect King Of Kings

we should, if we can why don't we?

I'm a Kings child, one of many...

In Need Of Validation

I will not be you're reason for breaking up with someone you've made up in your own mind to do, before you dialed my telephone number.

Validation isn't and will not be coming from me.
a broken heart is never easy on the person, that it's being done to
are don't you even remember when it happen to you?

I will not be you're reason for changing your mind.
I've been the individual on the other end of a person who changed their mind.
Think of how made you feel.

I will not be your reason nor you're excuse I'm sure you're
in need of Validation however it won't be coming from my direction.

Sylvia Loven Carter

It's A Privilege

It's really nice to be able to voice
your opinion(s) on any give topic(s)
however you're opinion (s) , or mine may not be the
final end all answer ~it's a privilege~

Whatever the question or topic(s)
the bottom line is you're not always
going to agree with some people no
matter who they are you claim to be....~it's a privilege
who they are, or who you are they claim to to be ~it's a privilege~

Just take it in stride there may be other
days to be seen, heard, agreed or disagree with
please remember that ~it's a privilege~
to voice one's opinion, right or wrong.

Sylvia Loven Carter

It's Automatic

When we humans don't understand why something
is
happening, in our lives or profession. We go with
our
assumptions 'It's automatic'
and gladly share
what we assumed, to be true 'It's automatic'

We share what we think, the solutions to any give situation
'it's automatic
we'll share with who will pay us any attention
'It's automatic

insecurity can really hinders ones progress no matter situation.
especially when we think the worst, before we take the challenge.

Sylvia Loven Carter

It's Funny

How is it that a person can make a covenant promise and have no intention on following through on the promise made?

How is it that you can show no remorse over the pain you've caused another human person

It's Funny how anyone can think that hurting someone is fine, and lie on the other person on top of it.

It's Funny how our bodies, can be used when it's convenient.

It's Funny how when things start to go awry you come to mind, I do have let this go don't I lol (8

Jesus Says Peace Be Still

Learned to bring to remembrance all that, God has done and still doing
for me even when I'm smack in the middle of going into or coming out
of a Tempestuous Storm.

'Jesus Says Peace Be Still'

It storm has to obey his voice, I've learned to trust that every-time
a storm comes he won't let it destroy my mind, my heart or soul.

'Jesus Says Peace Be Still'

Keep Them Encouraged

They stand and sit around
watching
talking, joking
making fun of each other and total strangers....
cars going by too fast and sometimes too slow
who are they

They're ordinary, everyday
different colors, human people they are our children
soon becoming adults Lets keep them encouraged
whether they are ours or not Lets keep them encouraged

Let stop the creation of more defeated before they get started human-beings
living in seemingly defeated, situations and conditions

Lets keep them encouraged our young people have so many talents
and energy to spare Lets keep them encouraged.

Sylvia Loven Carter

Knew

Oak trees under water, the sky upside down
beautiful sun shining
you knew, she knew who else knew?
you're friends knew, some of my friends knew
some of you're family knew, some of my family knew

They tried to tell me some directly and indirectly
I didn't want to hear or accept it
although deep in my heart and mind I knew
and at the same time was in deep denial
because it hurt my heart
are was it my pride?

Maybe if I stayed he'd/she'd
cause they knew I and knew my heart was all for LOVING YOU
so why didn't it change?

Sylvia Loven Carter

Letting Go Of R.B. & W.W.H.

The deep scaring pain,
you so willingly gave to me.....
I'm Letting go of Rage, Bitterness & Wondering what happen.

Letting go of the Mirage
Letting go of RB & W.W.H

I'm stepping into my fit my destiny
And have let go of RB & W.W.H,

Like He Can

The power of the world
come from the creator of the Heavens and the Earth
nothing and no one is able to stop the plans he's already made for me
nothing and nobody is more powerful than MY GOD, GOD
is all over the place, he dwell outside of time He is the great I AM
no one can LOVE me Like he can, no one can heal me like he can and has,
no one can protect me like he can

Sylvia Loven Carter

It was extremely difficult
when the deed had been done 'LSCG'
so now my mind.
Yes I'm talking about me wondering
weather or not to keep my stride going
or give up and stop in my tracks.

Did I see you smiling as you finally let the real you out?
I'd never experienced this cold blooded side of you until you started playing the
'LSCG'

Can anyone tell me how you moved on from the pain?
did you think it was anything different you could've or should've done to make
this person Love you?

Are did you figure they'd made up their minds to do the deed you know the
'LSCG'

You are allowed to be hurt however don't make it you're home in the end it's
their loss and not yours.

Momma Lady Mary Alice Carter

Because OUR Mother's is the only one we'll get weather she was good,
bad or indifferent.

If she's still with us in the land of the living. Give thanks to God
for giving her a mind to carry you in her womb and that she
survived labor pains.

She change diapers no matter the content of the diaper, she wiped dirty nose's,
she took care of you the best way she could.

She denied her self lots of pleasure AND rest on you behalf, be thankful and
love her for all the things she's done and continue to do for you.

Love your Mother's people she's the only Momma you'll get on this side.

No Clue Of What I'M Doing

Honestly most of the time
I have no clue of what I'm doing
I mean I'd like to do the best possible thing in every area of life

Like most people
I'd enjoy
giving my Love to my one
and receiving Love from my one

I have deceived and been
deceived
more than
enough times

I sometimes have no clue of what I'm doing

yes I've confused
Bambboozled,
tricked ect, , until the LIGHT COMES ON

there is always hope as long as I have breathe I'm not the only
I'm sure there are other
peoples
who have no clue of what they are doing.

No Longer Mine 10-6-05

I saw him/you of course
and felt
like touching you 'T.M.S' 'No longer mine'

although I still carried you're last name,
I remember some of our times together were not so bad I do
regret the times
we couldn't and wouldn't say I'm sorry 'No longer mine'

The last time I saw you sleeping
I kissed
you 'T.M.S'
and hugged while you were sleeping I just looked at you and wondered what
happen to pull us apart?
I saw the hurt over your two best friend being murdered. I'd like
to be your friend.

But I'm sure that's not how that work
your No longer mine.
I do honestly pray that you'll find all the joy and happiness you can handle while
you're in the land of the living.

Only A Painless Scar

It's felt painful at first, I mean the hurt and betrayal that happen, it put my nerves on edge I suppose? and I cried almost every time I thought about it. Even telling someone at times brought tears to my eyes, Time has help the pain and I don't cry anymore heck I'm not even angry any more it's only a painless scar now.

I felt dubious about you're
concept your reliability 'Opportunity Discontinued'
~you know who you are~
Now that reality has arrived
you and I know who you are
the open door of your opportunities has been discontinued
'Opportunity has been Discontinued'
~you know who you are

Perfectness

I wish there were words we humans; you're creation to describe, express and relay to others,

The awesomeness of who you are 'perfectness'

All the exquisiteness that encapsulates

your holiness, perfectness I truly thank you for LOVING me! ! !

Thanks you Abba Father. 'PERFECTNESS'

Poem From Dh

Pictures on the wall trees at
their best.

The fire place is cold

I woke up in the morning to
hear your voice sweet and low

Your laughter fill the room, unfortunatley
it's not me your talking to WOMAN

The love we made last night was it just a physical?
why would you call another man? No I am
not doing good I know it.

Do you have to take all my pride by
telling everyone else I am hungry will you buy
me some food? Yeah you can call it's my phone! !

Random Thoughts.....It Can Happen In The Movies.....

When an
ice cube begins to melt
can anyone's
hand cause
it to freeze solid again? Random thoughts.....it can happen in the movies
are is it possible to
keep the water that it will
make
from slipping
through
your fingers? Random thoughts...it can happen in the movies

Memories aren't always
beautiful
are they? Random thoughts..it can happen in the movies

Is it possible when a day once it is gone? can it be re-LIVED? Random thoughts it
happens in the movies.

are adult temper
tantrums
a waste of time and energy
is it really difficult
to forgive
being betrayed if and when you are
Random thoughts...it happens in the movies

Seulement Une Cicatrice Indolore

Il est estimé douloureux au début, je veux dire la douleur et la trahison qui se produisent, il a mis mes nerfs à fleur de peau, je suppose? et j'ai pleuré presque chaque fois que je pensais à ce sujet. Même dire à quelqu'un parfois eu les larmes aux yeux, le temps a aidé la douleur et je ne pleure plus pas diable, je ne suis même pas plus en colère c'est seulement une cicatrice indolore maintenant.

'She Lives In A Movie'

She never had to experience being hungry or without whatever she needed or wanted in her life.

'she lives in a movie'

She decided she would be a success in being a Orthopedic Surgeon, and that's what she did, the Love of her life is someone she choose.

They'd have the right amount of children who'd go to college and graduate top of their class as she did.

'she lives in a movie'

Her hair, clothes and makeup are always right.....She Lives in A movie.....

She always had the right attitude and would help anyone she could, she lives in a movie.....

Shoe On The Other Foot....

Tell me

what would you're first thought be?

would you be angry?

would you be hurt?

would you be confused

would you be devastated

'If the shoe was/were on the other foot'

if you smelled another mans colonge

anywhere on my body

'if the shoe was/were on the other foot'

if I stopped showing you tender loving moments

you know like the many times we 'knew each ' other

if?

So Animated

I've noticed that, they talk louder than, is necessary
In hopes that someone is payin attention to what they're sayin
they stand flat-footed using slang or cursing.

So Animated.

Sometimes they will make eye contact with a stranger, I've noticed
a twig of confidence as animation is being performed.

So Animated.

I've noticed that, they louder than necessary.

Someday Soon.....

You'll look back and realize 'Someday soon'
you've made a huge mistake

That you BURNED down a

UNIQUE BRIDGE

was it worth, breaking the heart of the person who

LOVED YOU! ! ! ! ! ! ! !

You'll look back and that nothing you can say or do will
cause this person to trust you Ever, never, ever-never again for any reason

Some Day soon.....

Sometimes It Appears?

So I think I've been in Love one time are another?
I'm not at all sure to tell the honest truth?
I do want to spend the rest of my life with that someone special
however.
Sometimes it appears this is not going to happen?
I've met a few possibilities that left me wondering if
I made a mistake, I had a late friend who said she had to kiss a few
frogs along the way.

Sometimes it appears this is not going to happen?
I mean?
I chose not to regret Loving the few I let into my heart.
Sometimes it appears?

Stupidity...

A lot of people don't realize they are not perfect;

But you should have Loved me any way and you really didn't

'Stupidity'

caused you to flip our journey together my questions is was it worth it?
to you and I know we'll never be together again ever! ! ! ! mode

It was all you're decision or did you need some help?

'Stupidity' has caused you to believe she'll Love you

I wasn't the user you were and are.

Temporary Trinket

So It's really over huh?
did you find all the pleasure that, you could handle?
in your 'Temporary Trinket'?

Did you know that it was for a limited time?

Or are you still strutting like a peacock that's showing it's

BEAUTIFUL PLUMAGE? `the way you used to while I was watching and aware
of your escapade and weekend rendezvous?

Did you're Temporary TRINKET tell you that they LOVED you?
Did you think that you could rely on it

Thank You Heavenly Father

You are the one and only true God
Thank you heavenly Father, for being the one who has and still
working on my behalf

I think...no I know my puny mind could not figure
the whole thing out
not by myself,
I'd lost my sanity had it not been for you
years ago 'Thank you Father'
You are GOD and there is no other
and there will never, never, ever be another
Thank you Father
for giving me peace

you know how I run to you when I'd get alarmed
especially when I have a heavy heart while shedding tears
Thank you Father for forgiving me of
disobedience, contrary, behavior 'Thank you Father'
thanks for not allowing me to die in those sins I was in
Thank you Father for our union

Sylvia Loven Carter

Thankful

I'm Thankful, thankful, thankful

Truly Thankful

GOD'S GOODNESS IS INDESCRIBABLE!

I'M thankful that I can hear the Birds singing, and the wind blowing

Causing the fallen Leaves to have their own Rhythm

YES QUITE A UNIQUE sound it is Unique.

In fact I believe that

Everything has it's own Rhythm.....It's own crescendo of sorts?

I wonder if I'm the only one who thinks this?

I am Thankful, thankful so Truly Thankful! ! !

The Announcement

So now you've
decided that you no longer

I personally think you are a very confused person
and you don't even know it yet and you've gone and made
The Announcement.

The Gimmick

He had me going
believing we were
created a winning team
presumably, first rate
agreement who would've
supposed you were
a Prententious man
and it was all a
Gimmick.

Sylvia Loven Carter

The Man

you've always moved fast, I blink 'once' you're gone. I close my eyes, you're back again and again moving faster Oh my God some, one has chained him you looked confused not sure what has happened, They've chained you I start screaming let him go. I scream till I'm getting hoarse Let him go, freedom is his destiny, please no more pain, don't push him let him gain his strength so he can fight back.....He's back, He's strong his eyes glow with peace and serenity why are you afraid? he'd never hurt you he is fast once again, but now he's learned wisdom is his kinswoman, whose always been there waiting for him and his plans.

The People

The people
we'll meet are interesting in their journey
each of us existing together yet separately
we share bits and pieces of you our lives we're willing to help some
but not others. Everyday is a learning experience if we'd pay attention The
People.

Sylvia Loven Carter

The Ranting

If you were me you would have said what?
oh that's right what I said because you'd be me.

If you were me if they said this to you would have said what?
oh that's right what I said because you'd be me.

If they would have broken your heart what would you have done?
oh that's right you would have cried like I cried cause you'd be me.

If they'd lied on you what would you have done?
that's right wouldn't not have understood just like I still don't.

Warrior

I see the fearfully and wonderfully made Warrior that has a dreams

I see Warrior in you're gait I see it you're silhouette

I hear it in the smoothness of you're voice

I know that, that you want to help me down this road and not throw me into the madness that can and will happen on this journey.

I see the fearfully and wonderfully made Warrior that Loves,
you've been hurt and disappointed like a lot of us,
I know that's the reason you've been chosen to help those of us
who are confused, bewildered, that has somehow are another given up
on our God given dreams.

I see the fearfully and wonderfully made Warrior in you're rhythm
bet you didn't know that you were and are seen as one of the

Warriors of the chosen, despite the pain of rejection from the
trifling aspect of society this included the ones closet to us.

I See the fearfully and wonderfully made Warrior in YOU! !

What Am I Supposed To Do?

How will I know?
So, confused
what do I do?

Do you Love her? then why not let me know

What am I supposed to do
when you are silent,
sometimes I speak to you and you look past me
as if I don't exist.

What am I supposed to do
Love
I know you, seen you and felt you

What am I supposed to do,
I see the way you look me when you want my attention
Do you love her?

What am I supposed to do
I know you crossed the line and it hurts
Do you Love her?

Sylvia Loven Carter

'What Are You Afraid Of? '

What's behind the hair, lashes, and nails?

What's behind the Stilettos? and push up bra?

Do you have any insecurities? what are you afraid of?

What are You hiding? what's behind that suit& tie and Stacy Adams?

What's behind the Leather Brief case?

Are there any uncertainties lurking where you live?

What's behind the sagging pants and backwards cap? & jewelery

is loneliness, peer pressure and rebellion a constant presence?

Do have any clue what's driving you?

What are you afraid of?

Sylvia Loven Carter

What Condition?

When someone
Says they love you
Are there

When i've said i love someone
I mean / meant it
At least thought i really did
'What condition'
How does one qualify for you're love

What Is The Name Of That Bird?

I heard

a bird singing at 2: 05 a.m.

'what is the name of that bird? '

What kind of bird is it? it's not the first time I've heard it?

What kind of bird deep in the heart of Texas in Oakcliff?

'what is the name of that bird? '

What My Mother Said

Mom said it's really
Does a Mother's heart good to see
Her child or children 'what my mother said'

Happy healthy and smiling

Feels the same way
About his children

About you?

When I'M Gone.....

I'm gone what will u know are ask about me?
do you suppose you'll experience anything, something i never have?
or perhaps do something I never did?
will u look at my pictures and think oh she was so beautiful or no?
will u be able to recognize that I'd had my heart broken and cried tears as you
have and will someday.

That I was made fun of from time to time, I bet you're wondering
right now why r thinking about something I'll probably never read?
well I'm hoping by chance you will and pass this one on.
I'm gone what will u know?

Sylvia Loven Carter

You Knew

I had the feeling you'd do this to me again,
I chose to ignore it
You knew
why couldn't you tell me sooner especially since
You knew
did everybody know before me?
You knew
will I get over this any time soon? ? ?

Why sure
You know it

Your Love~

Being, and staying in Love

I've never, ever met someone
SO intoxicating, in my life.

Until I met you, you've keep the intoxication intact, I'm amazed that
you've managed to hold my attention longer than anyone ever has,

Your Love~

Sometimes I wonder if I'm only dreaming or if I'm being delusional,
then I hear you calling my name as only you can.

Your Love~

I mean the way that you say my name, causes me to respond immediately.

I'm enthralled by your Love for me, you've shown me that nothing can
cause what we have to fade.

I've never, ever met someone
SO intoxicating, in my life.

Your Love~
