Broken Heart

What is in my heart is more deeper than what is in my mind. I try not to think about it when I'm alone. You walk me through the hard and I stop at the easy and think to my self, 'Wow how did I make it this far? ' We never fight just smile and wave with nothing to say. You are sitting outside laughing and I crying away my faith inside. I wonder what you think but never say or ask. Still have feelings and care no matter what others say. You ask me to sing to you Why? Do you still care? 1.12.09 was the day we were meant to be! 1.16.09 was the day you shattered my soul... From the deepest part of my heart and soul! ! !

I Hate But Want You! ! !

I think every day, Why am I here? You make me happy when you around. Do you feel the same way? I hate when you leave me alone and don't call. But your still my man I love! Do you hate that I hate but want you? Is it in your passion to love me? I've been waiting my life for someone like you too love! You say you do but how am I to really know? I hate but want you more than ever! If you were here today I would tell you what I want...which is your body around mine! ! ! Our love combined into 1 piece. Do you hate but want me or is this the end of what I call hope? I still love you even though your gone! ! !

Open The Door!

We were fighting every day. I wanted to Open The Door but had it shut in my face everytime. Letting me know he didn't want me to go. I hear us fighting back and fourth. Having every thing seem ok. If I were able to Open The Door I could chang my life. So I say thats enough, pack my stuff and leave! ! ! To a Whole New World! ! ! Never let someone bring you down! ! ! Fight back! ! !

Waiting

What do u long for the most?

Is it his love for you or your love for him?

As you are Waiting what is to come along you feel it is time to let go of what was not even really there! ! ! When you think of the impossibe you turn too the

possible...Waiting for what was never really there is standing in you way now! !

Reach out and grab life by the horns and take over!

No more Waiting for nothing next!

Would You?

Would you take me back if I told you I love you? Would you take me back if I told you I'm sorry? Would you take me back if I wrote you a song of LoVe? Would you forgive me if I ever hurt you? Would you be there for me if I needed someone too LoVe? Would you replace me if I wasn't there for you? Would you tell me I'm right even if I'm wrong? Would you lay with me untill I fall asleep? Would you ever leave me if I messed up? Would you tell me you still LoVe me even after I'm GoNe? ? Would You?
