I Wasn'T Born For You

\$Everyone says i can't do this or that.\$

\$But i wasn't born for you.\$

\$Everyone says you need to look like this.\$

But i wasn't born for you.

everyone says you need to talk like we do.

But i wasn't born for you.

I was born him the all might Lord of Lord

I was born to for a purpose maybe not yours but i was born for a reason even if
you can't see HE can.\$

They Just Left

I stood there looking you in your eyes try to convince you that i WAS your responsibility that you had to love me even if you didn't luv mummy but you still walked away so i chose to give up on you so mummy got me a new daddy but it turned out he wasn't ready. Why does everybody keep running from me. I just want some one to hold me and tell me they love me. I just want a father figure.
Daddy Please come Back!
They just left and didn't look back!

Until The Door Opened

We seemed like the perfect family
mommy had a job daddy had a job
i was getting good grades
kids were doing good
but behind closed doors the real us happened
mummy and daddy yelled at eachother i was hurting in ways i couldn't explain.
UNTIL the door opened daddy walked out as if the wind blew him out
mummy was hurting emotionally and spiritually
i got bad grades and most of all i lost faith in god
Until jesus spoke to us as a family
daddys still gone but were stronger as the family thats left.
