Champion

We are listening
To the best of the bird
Waxing musical

We are seeing
The best of the bird
Waving champion
Amalgamation of feathers
As phenomenal wings

Available to fully
Fit into the niche
For the best
Of rocketing flight
Beyond the Milky Way

Diamonds

Catalogue of perfumes
Extraordinary bliss

Excellent
The positions of radiance

Absolutely fascinating
Petals waving radiant color

Delightful waves
Of the petals
Beauty in motion

The chime
In the wind
The sound of music

The flowers
Diamonds
On the charged landscape
Of a glorious city

Diamonds
The flowers
On the charged landscape
Of a glorious city

Feverish Agenda

Mosquito seeks
New term of office
In the slum

At a biting cost
To the slum

At a feverish cost
To the slum

Mosquito pushes
Its feverish agenda
With an impressive speed

Malarial pulses rise
In combat
To bring bodies down

Uchechukwu Agodom

Glowing Pictures

The world needs
Brand of tongues
That paint
Glowing pictures

Pictures eager
To ramp up
The sky to greater brilliance
Free from pollution

Pictures smarter
Than the glitter
Of blood diamond

The sum of the pictures
A portrait
That changes the world
In astronomical leaps
And extraordinary bounds

Happy Birthday, Nigeria

Stay on the enchanting road
Of freedom of expression

Nestle in
Pure love

Move for the steady
Stay of beauty

Move with
The victory of unity

Power on
With the magnificent views
Of the universes of beauty

Golden steps expand
The sphere of diversity

Golden steps
Expand
The sphere of unity

Your universes
The ethnic groups
With beautiful voices
The ethnic groups
With beautiful designs

Your pride
Beautiful diversity

Your joy
Beautiful diversity

Diversity
With the beautiful
Sphere of unity

Unity nestles the diversity

In your loaded land
Of things beautiful
Special sights
To see

Two rivers
Unite into a river

Two rivers
The enchanting River Niger
The enchanting River Benue
Unite into a river

The famous River Niger
The great fountain
Journeying
To the greater Atlantic

Land of mountains
Beautiful and breathtaking

Of enchanting hills
Of enchanting valleys
Charmingly beautiful

The constant magnificence
Of Zuma Rock

The constant charm
Of Olumo Rock

The landscape sports
Honey-colored things

Sumptuous views of sunrise
Stellar views of sunset

The torch lights of dawn
Carries the exciting
Events of variety

The torch lights of dusk
Carries the dramatic
Events of diversity

The visible touch

The glowing touch
Of the stay
Of harmony
In the seasons
Of charming cycles

The coat of arm
The giant display
Of lovely unity

The coat of arm
The giant display
Of lovely diversity

Variety of great tongues
With the beautiful carriage
Of vibrant diversity
Paints the national anthem
Paints the national pledge
With the mighty
Color of unity
With the mighty
Color of harmony

Beautiful birds
In towered high harmony
In the land
Of classic savannah

Beautiful birds
In towered high harmony
In the land
Of masterpiece forests

Bright ways
Up the star steps
Of the atmosphere

Songs with the enchanting
Themes of variety
Winds up the sky

Dance pulses
With the enchanting
Marks of variety
Drives harmony
To the top
Of the sky

Golden climbs
Up to the highs
Of magnificent views

Game-changing settings
Of grand destinations

Intense sprawl
Of hearty reaches
Of healthy perspectives

Intense reach
Of hearty reaches
Of healthy heights

Adorns the giant land
Decorates the giant land

Deeply

With the enchanting
Resolution of grand inspiration

Extraordinarily charming
The magnificence
Of my country, Nigeria

Happy birthday, Nigeria

Happy New Year, Nigeria

The New Year
The dominant theme
Of the stimulating time

The time pulses
With a gallant atmosphere
Reflecting the will
Of the exciting season

Waiting for the New Year
Counting the rich pulses

Reading the echoes
Of the busy night
Peopled with excitement

In the enchanting eve
Of the New Year
Waiting for the New Year
The prized dreams

The prized dreams
Float in the atmosphere

The prized dreams
Populate the atmosphere

The enchanting vision
Of the New Year
Carry the banner of magnificence

The enchanting eve
Of the New Year
Flies an elegant
Kite of eloquent vision

In the New Year
The glamorous River Niger
Will still flow

Poetically

The glorious cardinal points
Will still pulse
In beautiful configurations

The evergreen rainbow
Will still mount
A colorful formation
Of colorful colors

The evergreen rainbow
Will still mount
A colorful formation
Of colorful colors
Beautifully
Over that sweet area
Of the Earth
Called Nigeria

The sweet National Anthem
Will be sang
More beautifully

The sweet National Pledge
Will be sang
More beautifully

The beautiful birds
Of the classic savannah
Will sing
More beautifully

The beautiful birds
Of the masterpiece rainforest
Will sing
More beautifully

The enchanting Ikogosi Spring
Will still dazzle the world
With its wonder
Of a charming mix media

Of warm water
And cold water

The enchanting Kusugu Well of Daura
Will still decorate the world
With its charming
Historical beauty

The enchanting dreams
Of the New Year
Floats in the atmosphere

The night is peopled
With excitement

The night is peopled
With joy

Mobile signs and symbols
Ride the packed tide

Steady signs and symbols
Follow the packed tide

Pop ups of fanfares
In gallant arrays

The tide of the night
In jubilant mood

The launches of the resolutions
Of New Year

The night sky
Ripe for
More fruits of fanfares

The breathless passage
Of the old year

Breaking the multicolored
Barriers of midnight

The New Year

Groomed Chants erupt
Through the swollen fountains
Of the marvelous midnight

Groomed shouts erupt
Through the swollen fountains
Of the marvelous midnight

Happy New Year!
Happy New Year!
Happy New Year!

New Year
Fresh with the flair
Of effervescent life

New Year
Fresh with the flair
And fanfares
Of effervescent life

Jubilant mood
Follows the time

Jubilant mood
Follows the night

Jubilant mood
Follows the New Year

Jubilant mood
Polishes the New Year

Gala nights fly
With the sweet thunder
Of gallant hurrahs

Banquets fly
By the happy dazzle

Of the happy time

Happy voices ring
And decorate the world
Blissfully
With the golden
Worth of music

Golden sounds
Of dramatic drums
Posses the atmosphere

Convoy of golden sounds
Of famed flutes
Posses the atmosphere

Sweet sashaying
Sweet shouts
Roam the atmosphere
With electric voices

Giant jamborees
Of wondrous beauty
Roam the atmosphere

The owl hoots
Beautifully
The owl hoots
Musically
In glorious consonance
With the joyful mood
Of the time

The owl hoots
Beautifully
The owl hoots
Musically
In glorious consonance
With the happy mood
Of the time

Happy New Year, Nigeria

In this New Year
Let the arrays
Of wonderful elements
Follow you

Let the giant
Flair for creativity
Crown you

Let the calculations
Of the New Year
Be glorious
With crystal clear classics

Let the charming love
Of the environment be

Let national honors
Go to
Great people

Happy New Year, Nigeria

In this New Year
Cultural displays
Pulse
In favor of milestones

Tongues sing
Of wondrous love
With tom toms of peace

Live with
The pulsations of justice

Gather for
Crime free world

Connect to
Forgotten great heritages

Polish
The fountains of knowledge

Shine
The fonts of wisdom

Smash
The goals of corruptions

Triumph
To wise spending

Yes
To the sweet
Unity of the people

Yes
To the sweet
Chants of innocence

Beware
Of bad debt

Innocent Children

Cinematic quality

The appearance of innocent children

Classic music

The voice of innocent children

The children

With golden cadence

Their voices are

Sufficiently recognized

In the enchanting music

Halls of the world

The enchanting children

Records innocence

With the shiny waves

Of their twinkles

Great atmosphere

The scene of the enchanting children

With the heavy

Poise of innocence

Uchechukwu Agodom

Rejection

Closing the border
Against the tidal
Flow and roll
And bounce of love

Waving
Celebrating
The ravenous insignnia
Seeking fuller career
In the creation of disaster

The hell of conflicts

The rejection of dying people
From dying countries

The rejection of dying people
From deadly countries

Prized beings
Groping for higher deals
As they sink and sink and sink
Into the hell

Uchechukwu Agodom

The Song Queen

She rules
The air waves
With beautiful voice

She who rules
The airwaves
With beautiful voice

Carves the cadence
Reflecting the effervescent
Views of beauty

Loads the cadence
That makes up beauty

She waves
A legendary appetite
For uploading
The punches, the loads
Of peaked beatific sandbags
In the exciting neighborhood of beauty

She goes
She comes
With superb entries
In the multicolored
Languages of the horizon

She covers
A lot
Of the territory of beauty

She
The immaculate
Song queen

You Hold The Talent

Move with
The quickening tempo
Of lightening
To win distant echoes
To convert them
To orbs of music
For universal acceptability
With the long
Arm of sustainability
Not contaminated
With mocking ovation

Shine your way
To constellation

Hold
Demonstration of light
To show support
For the credo
Of illumination

Shine your way
To constellation

You hold the talent
To generate huge wins
