# ¿happy?

¿Happy?

I am glad.

Since the sun is shining on your face,  
and found someone who really cares.  
Those tender yellow golden rays,  
will come as a answer to your prayers.

I am pleased.

Since your life is out of stormy water,  
and found a harmonious, loving place.  
Life doesn't have to be a slaughter,  
take it as a warm embrace

I am content.

Since your life turned out for the better,  
and found a nice man to love.  
I wish you the bests of lucks together,  
if he is the one you dreaming of.

I am happy.

Since your finally doing good, doing well,  
doing all the things witch made is possible, in the end.  
But how can I be happy? How can I tell?  
How can I be happy? When all I can be is just A friend.

# A Different Point Of View.

A different point of view.

Don't be unhappy with things you cant do,  
be happy with the things you can do.

Don't be unhappy with what you don't have,  
be happy with what you do have.

Don't be unhappy with the a life you cant live.  
Be happy with a life you can live.

Don't be unhappy with something that don't matter,  
be happy with the something that do matter.

Don't be unhappy with what you cant be.  
Be happy with what you can be.

Don't be unhappy with people that don't care.  
Be happy with people that do care.

At least consider the size of the importance in life.  
Cause It's the small thing in life that matter the most.

# Angst. (German)

Angst.

Ich wünschte, ich hätte dir deine Angst nehmen können,  
um dir all das Glück auf dieser Erde zu gönnen.  
Deine Angst vor dem großen Ungewissen, die Angst  
daß ich dich nicht werde vermissen.

Deine Zweifel, daß ich mich nicht so gebe wie ich bin,  
die Gedanken über dieses und jenes schlechthin.  
Du bist ein sehr besonderer Mensch für mich,  
und ich weiß, das war ich auch für dich.

Meine Worte kamen immer geradewegs aus meinem Herzen,  
doch meine Worte brachten dir nur Schmerzen.  
Weil mehr als Worte konnte ich dir nicht geben,  
doch trotzdem war die Angst da mit mir zu leben.

Ich hoffe, du bemerkst irgendwann,  
daß, was wir gemeinsam hatten, da war mehr dran.  
Die Ängste, deine Zweifel, das Gefühl in deinem Bauch,  
hätte dir sagen sollen, daß ich der Mensch, bin den du brauchst.

# Ball.

Ball

All over the world they are made,  
some round some oval shaped.  
They come in different sizes and weight,  
and it keeps the world agape.

As long as scores are made,  
as long you throw, hit, kick or catch.  
No matter in what game you played,  
no matter in what match.

It's fun for young and old,  
to have one it's very smart  
For children and adult,  
brings it joy and laughter to the backyard.

The biggest invention after the wheel,  
and the nicest toy of all.  
For passing away time it's so ideal,  
that it can only be one thing. The ball.

# Casualty Of Love

Casualty of love

I offered you a future,  
made you forget about your past.  
To your wounds I was like a suture,  
to your heart I was like a cast.

I was the one who made you smile,  
and swept away all of your tears.  
It was every minute worthwhile,  
helping you to forget about your fears.

I brought you conferred and hope,  
when all of your hope seemed lost.  
Our love was the perfect dope,  
that's why our life's had to cross.

Now I am trying to read your mind,  
finding the answer to your doubt.  
Killing off questions from all kind,  
searching for what it was all about.

And it makes me feel like big sham,  
to thrown away everything that we had planned.  
A casualty of love, that's all that I am,  
for loving someone, I don't understand.

# Dream Stealer.

Dream stealer.

Last night, I lay in bed.  
A million thoughts where in my head.

I closed my eyes, I saw your face.  
It toke me back to that special place.

With vivid dreams, who never fade.  
Were we could life the dreams were made.

Dreams of joy, and how it would be.  
Now all they are is a memory.

□

Memory of dreams, we ones shared.  
Millions of thoughts which made me scared.

So I shut my eyes, and I am hoping to.  
Forget the world, and dream about you.

# Een Dikke Knuffel. (Dutch)

Een dikke knuffel.

Een knuffel voor een goede vriendin.  
Een knuffel omdat ik je bemin.  
Een knuffel voor je lieve lach.  
En een knuffel omdat ik je mag.

Een knuffel voor een toffe meid.  
Een knuffel voor de gezelligheid.  
Duizenden knuffels en nog veel meer.  
En morgen knuffel ik je weer.

Maar de dikste knuffel, voor jou bestemt.  
Is een knuffel omdat jij ZO000..... lief bent.

Een dikke knuffel.

# Fear Of Darkness.

Fear of darkness.

When day becomes night,  
all colours fade away.  
The world needs a light,  
ore everything will be grey.

Now dusk falls over me,  
no sunlight hits my eyes.  
I cant start feeling free,  
cause my heart still cries.

Something precious that's bin broken,  
so fragile it takes time to heal.  
Many feelings left unspoken,  
its very difficult to reveal.

Stuck for many ages,  
in a dark cold well,  
Locked up in different cages  
and in the past I still dwell.

The darkness that I fear,  
and my soul cant defend.  
A nightmare so severe,  
only the gods knows how it will end.

# Feelings

Feelings

Love – hate,  
Pleasure – pain.  
They are all feelings,  
and I have no more love to gain.

Some feelings good,  
some are bad.  
I especially hate the ones,  
who make me sad.

And I am in that place,  
right now.  
I want to get out,  
but don't know how.

Now there is only one thing for me to do.  
Is to.....forget.....about.....you.

Growing beauty.

even lovelier as yesterday.

Tomorrow, she looks more gorgeous, it's a pity,

## Hopeless Hope.

Is it hopeless to hope,  
when all your hopes feel hopeless?  
Or does your hope feel hopeless,  
when its only hopeless to hope?

To live your life with hope,  
can feel hopeless.  
But it's more hopeless,  
to live your life without.

# Hurt.

Hurt.

Why do I feel like this?  
Why do I feel this way?  
Can somebody please say?

Why do I feel fear?  
Why do I feel afraid?  
Will there be another date?

Why do I feel worried?  
Why do I feel upset?  
Is there some kinda threat?

I just don't know.  
I just don't understand  
What it is and what it all meant.

love isn't supposed to be like this.  
love isn't supposed to hurt.

Words tremble, when I say your name.

# Lake House.

Lake house.

You told me to trust and wait,  
and for a long time I kept faith.  
A feeling of you belonging to my soul,  
made me spin my mind and lose control.  
My heart got weak, couldn't wait much longer,  
cause my love for you was growing stronger.  
I did something I wasn't mend to do,  
I crossed the street, to get closer to you.  
I dint see it coming, dint see the car,  
suddenly it hit me and it made a scare.  
Now the memory will slowly fade,  
and forgotten will be the dreams we made.  
As faraway as our lake house now may seem,  
I still take a visit, ..... if only in a dream.

# Lost In Time.

Lost in time.

My life is passing me by,  
and the past seems forever gone.  
I cant stop it even if I try,  
Slowly time moves on.

Slowly another day will come,  
and every morning holds a new dawn.  
It bring new opportunities to some,  
while mine are lost and gone.

While I know to who I belong,  
I am hoping for you to return.  
Meanwhile I listening to our song,  
and my eyes starting to burn.

And there is nothing I can do,  
to stop this feeling deep inside.  
Small things remind me about you,  
I cant escape the day and hide.

I cant forget your lovely eyes,  
and your beautiful voice so divine.  
Its like looking into bride blue sky's,  
It gives me shivers down my spine.

It is like being lost forever,  
in a certain place and time.  
Time heals all wounds however,  
you're always be a part of mine.

# Love Shines A Light

love shines a light

I can't tell right from wrong,  
I don't know what going on.  
My body is weak yet my soul is strong  
its filled of you from dusk till dawn.

I can't distinguish good from bad,  
those nice words you ever said.  
I should be happy yet I feel sad,  
you make it all spinning inside my head.

I can't separate truth from falls,  
not knowing if you will call.  
Emotions take a climb yet time will stalls,  
to be patient is the hardest of all.

But I don't have to separate day from night,  
I never ever have to search a light.  
My love for you will always shine bright,  
cause loving you its not a burden, ..... it's a delight.

# My Endless Love

Like a wheel,  
ever spinning round.  
Like the hands of a clockwork,  
has endless hours to bound.

Like a spiral,  
forever going down.  
Like a hourglass is revolving,  
and spins his empty crown.

Like time,  
there's is no beginning and no ending of.  
And like for always in eternity and forever and a day,  
will be my endless love.

Every time you touch my soul.  
An angel keeps me under control. □

Every time you speak to me.

# Rain

Rain

The first time I saw you,  
you came to my domain.  
The sun dint shine trough,  
you where waiting in the rain.

I remember when we met,  
I stood in front of you with a rose.  
Your hair was wet,  
and a droplet hanging from your nose.

You put your hand in mine,  
and we walked down the lane  
I thought it was very fine,  
the two of us walking in the rain.

I remember the rain on your skin,  
and a lovely smile on your face.  
Dint know where to begin,  
so we started to embrace.

Its all that I ever dream of,  
its always in my brain.  
Forever with you my love,  
kissing in the rain.

I remember looking in your eyes,  
and you whispering I love you in me ear.  
I almost started to cry,  
al because of you my dear.

We loved each other from the start,  
and it will always be remain.  
Somewhere in my heart,  
I will always walk with you through the rain.

I love the rain.

# Seasons

## Seasons

The winter get older,  
and snow begins to fall  
As the days gets colder,  
the temperature starts to stall.

The water stops to flow,  
and icicle form on trees  
Fields get covered with snow,  
that ponds begin to freeze

Soon spring will arrive,  
the sun gives of more heat.  
The world starts to revive,  
and the frost is gone and defeat.

The animals give birth,  
and flowers are in full bloom  
It give life to mother earth  
with different colours and perfume

The summer so dry and hot,  
and the sun shines hours on end.  
Animals looking for a shady spot,  
the warmth dry out the land.

On the horizon clouds begin to form,  
the world seems relieved.  
Rain pours out of the tropical storm,  
and a rainbow they resieved.

Now autumn is getting near,  
and the trees losing their leaves.  
Dark brown and yellow colours appear,  
it looks like the whole world grieves.

The weather turns very raw,  
with wind, storm and rain.  
That's mother nature's law  
and it will always be remain.

All seasons ends and time moves on.  
It is what the world depends upon

# Second Life?

Second life?

Its a fairytale some might say,  
with happy people everyday.

As days went bye,  
and weeks past,  
Started to like it,  
pretty fast.

Now I play hours on end,  
searching for a nice friend.  
Love to chat, love to dance,  
looking for a little romance.

Don't know what I seek,  
don't know what I will find.  
Don't be shy just speak.  
Maybe we are 2 of a kind.

If you fall in love with a nice dame,  
is second life then just a game?

# She Is.....

She iS.....

Like sunshine on a cloudy days,  
shining into the deepest corners of my soul.  
With all of her loving golden rays,  
she got me all under her control.

Like wind blowing though the threes,  
whispering her sweet voice in to my ears.  
With her refreshing midsummer breeze,  
she wipes away al of my tears.

Like a beautiful rainbow after a storm,  
showing me the most wonderful human being.  
With all her beauty she make me feel warm,  
she cant imagine how I am feeling.

Like a fog dissolving in front of the sun,  
unveiling the most loving individual who exists.  
With her virgin like appearing she is the one,  
she is all I ever dreamt of .....She iS.

# Soulmate

Soulmate

You dint believe in wonders anymore,  
but sometime a miracle becomes true.  
You lost the hope it could come thru your door,  
and so it just happens out of the blue.

It does happen ones in a while,  
like a wonder its very rare.  
That's so good you smile,  
then you know that you really care.

It's a heavenly feeling,  
you didn't know it exist.  
You don't know the meaning,  
but you know what you missed

You cant seek,  
but you can find.  
Suddenly it speaks,  
your 2 of a kind

Its something very special,  
it does come on a golden plate.  
Then you actually know,  
you found your SOUL MATE

# Speak Up!

Speak up!

You're the one who make me happy.  
You re the one that I love.  
You're the one thing for me,  
my sweet angel from above.

You're the one I adore.  
But you don't speak anymore.

I want to spent more time with you,  
I want to have my pearl.  
I want to try something new,  
with my beautiful girl.

I want to do all the things we did before.  
But you don't speak anymore.

My love for you still exists.  
My love is still blind.  
My love is in a bliss,  
and your always on my mind

My love hasn't chanced, that's for shore.  
But you don't speak anymore.

We had a wonderful time.  
We had so much fun.  
We had it sublime,  
you cant be forgotten how it is begun.

We had so much to life for.  
But you don't speak anymore.

Its my life that's broken and bent.  
Its my life that's full of pain.  
Its my life that's your biggest torment,  
and will I ever see you again?

Its my life that you ignore  
Cause you don't speak anymore.

# The Book Of Love

The book of love

The book of love has many faces,  
to open the cover could take for ages.  
It always starts in different places,  
and write itself down as you turn the pages.

Contents of a book so fragile and weak,  
contains all kinds of stuff for people to see.  
Things you wanted ore ever will seek,  
it can hold the future but its no guarantee.

Chapters of love ore filled with grief,  
things to come ore what ever will be.  
All about feelings and things to receive,  
what ever will come keep your mind free

line's so honest you can hardly believe its truth  
it touches the soul when you review  
it makes you feel you got back to your youth  
and its all these feelings gone stick to you like glue

Words so define only the chosen can read,  
but they will not understand what it will mean.  
Read between the line's that's all that they need,  
try to fined out ore forever will be unseen.

Characters only stand out for those who see,  
to open there hearts is al that they need  
Trust there instincts and they all will agree  
it woud be easy if they want to succeed

Index should tell you no more than you already know,  
just be patience there is no more you can do.  
Al the different pages you all thumb trough,  
now the book of love only has to open for you.

# Waiting

Waiting

I never imagined it could be so hard,  
to count the days down to our start.  
Waiting for you to open to my heart,  
its not easy when we live miles apart.

I never guessed it could be like this,  
to be this patient for your kiss.  
Waiting for us to be in a bliss,  
cause you're the one I always missed.

I never knew it could hurt this much,  
to pas away time until we can touch.  
Waiting for us to be together as such,  
but we don't need things to rush.

Take your time, even one year,  
cause I will be waiting without a fear.  
Waiting until what ones was far will be near,  
and all because I love you my dear.

# Whishing The Impossible.

Whishing the impossible.

If I tossed a coin into a well.  
Wishing for you to realize me from my spell.  
Dreaming for us to be a team.  
But I am dreaming the impossible dream.

If I watched a star falling from the sky.  
Wishing for you to my loving pie.  
Hoping for your love to be my dope.  
But I am hoping the impossible hope.

If I blew out all the candles on my birthday cake.  
Wishing for my love, for you to take.  
Praying for your love to declare.  
But I am praying the impossible prayer.

If I broke the cooked turkey's wishbone in grace.  
Wishing for a miracle to take place.  
Wishing for you to be my standing dish.  
But I am wishing the impossible wish.

I wish for the impossible wish to build,  
wishing until this wish will be fulfilled.

# You Are Who You Are

I hate the way you are.  
And what you done to me.  
Sometimes your act so bizarre.  
So I doubt and disagree.

I hate the way you are.  
And how you make me feel.  
Scratching old scars.  
Which needed time to heal.

I hate the way you are.

But still...it makes you by far.

# Zandkasteeltje. (Dutch)

Zandkasteeltje.

Zandkasteeltjes bouwen uit losse zand.  
Samen met jou hand in hand.  
Met emmertjes en schelpjes die we vinden op het strand.  
Komt ons kasteeltje toch langzaam tot stand.

Met torentjes en vlaggetjes die wapperen in de wind.  
Word ons kasteeltje door anderen bemind.  
Schepje voor schepje en zo zot als een kind.  
Bouwen we iets dat maar tijdelijk bind.

Een zandkasteeltje uit losse zand ontstaan.  
Zal de tijd niet lang kunnen doorgaan.  
Te kwetsbaar en fragiel om te blijven bestaan.  
Maar in gedachte zal ik nog vaak denken aan.

Ons zandkasteeltje.....
