Cards Played By Friendship

friends are angels that come from above, sent by God for one to love, so when you are lonely and sad, remember i'll be there for you.

Friends are like in the sky, they shine bright, but you dont see them, but know they are there for you.

The heart of a friend is like a book, it depends on how one reads it, look in and one can be a true friend forever.

A friend gives hope when life is low, a friend is a place you can call home, a friend is precious, honest and you be such a friend?

Sweet fruits nice to eat, sweet words easy to say, sweet friend hard to find, it's a miracle to find a true friend.

Sweet Lines Of Succes

Stop wishing start how the journey you want to manage somebody, manage yourself and reach a time, you will stop and start leading the how i kept going.

Keep the fire ng is impossible, the word itself says i'm what built the spirit.

If you think you have made it, your at the wrong place never more harder and never complain.If you fall, stand double the are now above the sky the limit to how you will make it

The Enemy Who I Love

Always next to me, advices me on what to 's my up's and downs my A to z

Plans my day for me, suggests everything for what i love, likes what i s what i a being!

But comes behind me and starbs me in the
when my love and trust on her all ended in the dust she was my only hope.

She is now six feet down the ground, brought by not accomplishing the mission of laying me to rest. REST IN PEACE MY BELOVED ENEMY.

The God Of War

He is mighty, superior and everlasting
Filled with power
conquers beyond all.

He is everywhere, when his people are in need, he answers their prayers., great
is his name

He Has a big heart which loves and forgives with no presence of the holyspirit
can be felt when His worshipers are sinking in his glory
all the impossibles are done possible when He is is a true GOD OF WAR.

The Heart Of A Playboy

The heart is spacious, nice to new doesn't love rather it arrests other hearts.

The heart hurts

many get into the trap thinking they have fallen in love but are locked in a valve

It always thinks of victory how many hearts it has in bonded hearts

Never play with the heart of a man in the game you will score no goals but sorrows,
you will have a rest when the heart dies.

When it finds its loving heart, it surely in its own hut not until then the heart
would be a disturbing heart.

What Love Birds Speak

You are like sunshine so bright, you are like honey so sweet, you are like you,
and thats why i love you.

As days go by, my feelings get stronger, to be in your arms, i can't wait any into
my eyes and you will see its true.
Day and night my thoughts are of you.

If it rains, you don't see the sun, but its there.
Hope we can be like that.
We don't always see each other, but will always be there for one another.

By my eyes i met you, by my soft hands i touched you, by my mind i kept
thinking of you, by my heart i loved you.

Feelings are many but words are few, clouds are dark but sky is blue, love is
paper, life is glue.
Everything is false, only my love is true.

I love your eyes, i love your smile, i cherish your ways, i adore your style, what
can i say, your one of a kind,24/7 your always on my mind.
