# Violet Macharia()

# A Black Woman

She is beauty  
she is grace  
she is sexy  
she is strength  
she is elegance  
she is all natural

She is motherhood  
she is sisterhood  
she is love  
given from the one above

It 's in her stride  
so full of pride  
it 's the curl of her lips  
it 's the sway of her hips  
it 's in her chocolate thighs  
it 's in her big brown eyes

She is perfection  
no need for alteration
